

Order 13448 of October 18, 2007 (“Blocking Property and Prohibiting Certain Transactions Related to Burma”), BIS maintains restrictions on exports, reexports, and transfers to persons listed in or designated pursuant to Executive Orders 13310 and 13448. These persons include individuals and entities listed in the Annexes to Executive Orders 13310 or 13448, as well as other persons designated pursuant to criteria set forth in those orders.

(a) *License Requirements.* (1) A license requirement applies to the export, reexport, or transfer of any item subject to the EAR (except for agricultural commodities, medicine, or medical devices classified as EAR99 and destined for entities listed in or designated pursuant to Executive Orders 13310 and 13448) to—

(i) Persons listed in the Annexes to Executive Order 13310 of July 28, 2003 or Executive Order 13448 of October 18, 2007; or

(ii) Persons designated pursuant to Executive Order 13310 or Executive Order 13448.

Note to paragraph (a)(1): OFAC includes these persons with the reference [BURMA] on its list of Specially Designated Nationals and Blocked Persons set forth in Appendix A to 31 CFR Chapter V and on its Web site at <http://www.treas.gov/OFAC>.

(2) To avoid duplication, U.S. persons are not required to seek separate BIS authorization for an export, reexport, or transfer to a person identified in paragraph (a) of this section of any item subject to both the EAR and regulations maintained by OFAC. Therefore, if OFAC authorizes an export from the United States or an export, reexport, or transfer by a U.S. person to a person identified in paragraph (a) of this section, no separate authorization from BIS is necessary.

(3) U.S. persons must seek authorization from BIS for the export, reexport, or transfer to a person identified in paragraph (a) of this section of any item subject to the EAR (except for agricultural commodities, medicine, or medical devices classified as EAR99 and destined for entities listed in or designated pursuant to Executive Orders 13310 and 13448) but not subject to regulations maintained by OFAC.

(4) Non-U.S. persons must seek authorization from BIS for the export from abroad, reexport, or transfer to a person identified in paragraph (a) of this section of any item subject to the EAR (except for agricultural commodities, medicine, or medical devices classified as EAR99 and destined for entities listed in or designated pursuant to Executive Orders 13310 and 13448).

(5) Any export, reexport, or transfer to a person identified in paragraph (a) of this section by a U.S. person of any item subject both to the EAR and regulations maintained by OFAC and not authorized by OFAC is a violation of the EAR.

(6) Any export, reexport, or transfer by a U.S. person to a person identified in paragraph (a) of this section of any item subject to the EAR (except for agricultural commodities, medicine, or medical devices classified as EAR99 and destined for entities listed in or designated pursuant to Executive Orders 13310 and 13448) that is not subject to regulations maintained by OFAC and not authorized by BIS is a violation of the EAR. Any export from abroad, reexport, or transfer by a non-U.S. person to a person identified in paragraph (a) of this section of any item subject to the EAR (except for agricultural commodities, medicine, or medical devices classified as EAR99 and destined for entities listed in or designated pursuant to Executive Orders 13310 and 13448) and not authorized by BIS is a violation of the EAR.

(7) These licensing requirements supplement any other requirements set forth elsewhere in the EAR.

(b) *Exceptions.* No License Exceptions or other BIS authorizations are available for export, reexport, or transfer to a person identified in paragraph (a) of this section of any item subject to the EAR (except for agricultural commodities, medicine, or medical devices classified as EAR99 and destined for entities listed in or designated pursuant to Executive Orders 13310 and 13448).

(c) *Licensing policy.* Applications for licenses for the export, reexport, or transfer to a person identified in paragraph (a) of this section of any item subject to the EAR (except for agricultural commodities, medicine, or medical devices classified as EAR99 and destined for entities listed in or designated pursuant to Executive Orders 13310 and 13448) will generally be denied. You should consult with OFAC concerning transactions subject to OFAC licensing requirements.

(d) *Contract sanctity.* Contract sanctity provisions are not available for license applications reviewed under this section, except as available under 31 CFR 537.210(c).

Dated: October 18, 2007.
