Chien Energy, LLC; Notice of Issuance of Order

October 17, 2007.

Chien Energy, LLC (Chien Energy) filed an application for market-based rate authority, with an accompanying rate schedule. The proposed market-based rate schedule provides for the sale of energy and capacity at market-based rates. Chien Energy also requested waivers of various Commission regulations. In particular, Chien Energy requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by Chien Energy.

On October 16, 2007, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—West, granted the requests for blanket approval under Part 34 (Director's Order). The Director's Order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the filing of protests. Absent a request to be heard in opposition to such blanket approvals by the deadline above, Chien Energy is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another

person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Chien Energy, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approvals of Chien Energy's issuance of securities or assumptions of liability.
