

Thereof From France, Germany, Italy, Japan, Sweden, and the United Kingdom: Final Results of Antidumping Duty Administrative Reviews and Revocation of Orders in Part, 66 FR 36551 (July 12, 2001).

On January 9, 2007, SKF France S.A. and SKF Aerospace France S.A.S. (collectively SKF France) and SNFA France notified the Department of a change of ownership in SNFA France and requested the initiation of a changed-circumstances review of the order on ball bearings from France. In a separate filing on the same date, SKF Industries S.p.A. (SKF Italy) and SNFA Italy notified the Department of a change in ownership of SNFA Italy. On January 26, 2007, SKF UK Ltd. (SKF UK) and SNFA UK filed such a notification with respect to SNFA UK. Each notification stated that AB SKF, the parent SKF company, had purchased all outstanding shares of the SNFA companies through its subsidiary, SKF Holding France S.A., on July 4, 2006.

We initiated a changed-circumstances review pursuant to the request by SKF France and SNFA France on March 2, 2007. See *Ball Bearings and Parts Thereof from France: Initiation of an Antidumping Duty Changed-Circumstances Review*, 72 FR 9513 (March 2, 2007). On March 9, 2007, the Department self-initiated changed-circumstances reviews of the orders on ball bearings from Italy and the United Kingdom. See *Ball Bearings and Parts Thereof from Italy and the United Kingdom: Initiation of Antidumping Duty Changed-Circumstances Reviews*, 72 FR 10643 (March 9, 2007). For each review, we have requested more detailed information from the merged SKF/SNFA entities. The entities have complied with our requests and Timken US Corporation, the petitioner in the investigations, has submitted comments on the information.

On June 29, 2007, we initiated administrative reviews of the orders on ball bearings from France, Italy, and the United Kingdom for the period from May 1, 2006, through April 30, 2007. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, Request for Revocation in Part and Deferral of Administrative Review, 72 FR 35690 (June 29, 2007). After analysis of the quantity and value of the sales of ball bearings from France during the period of review, we selected SKF France as a respondent for individual examination in the administrative review of the order covering that merchandise. See "Memorandum to Laurie Parkhill from Thomas Schauer regarding Ball Bearings and Parts

Thereof from France Respondent Selection" dated August 14, 2007. After a similar analysis of sales of ball bearings from Italy, we selected SKF Italy as a respondent for individual examination in the review of the order covering ball bearings from Italy. See "Memorandum to Laurie Parkhill from Thomas Schauer regarding Ball Bearings and Parts Thereof from Italy Respondent Selection" dated August 14, 2007. We received no request to review the sales of SKF UK in the administrative review of the order on ball bearings from the United Kingdom.

Although the HTSUS item numbers above are provided for convenience and customs purposes, written descriptions of the scope of these orders remain dispositive.

For a listing of scope determinations which pertain to the orders, see the Scope Determination Memorandum from the Antifriction Bearings Team to Laurie Parkhill, dated May 29, 2007, which is on file in the Central Records Unit (CRU) of the main Commerce

building, room B-099, in the General Issues record (A-100-001) for the 2005-2006 reviews.

Rescission of Reviews

The mergers of the SKF/SNFA entities in France, Italy, and the United Kingdom occurred in July 2006, during the period under review in the 2006/2007 administrative reviews of the orders on ball bearings from those countries. Because SKF France and SKF Italy have been selected as respondents for individual examination in those reviews, we will be examining the impact of the mergers with respect to the sales that they, or their subsidiaries, made to the United States during the period of review and the effect that these mergers have had on the operations and management of the relevant firms for the purposes of determining, among other things, whether the SKF companies should be collapsed with their SNFA counterparts. Thus, we intend to address any considerations arising from the changed-circumstances reviews on ball bearings from France and Italy in the context of the administrative reviews for SKF France and SKF Italy. Accordingly, we are rescinding the changed-circumstances reviews with respect to the antidumping duty orders on ball bearings and parts thereof from France and Italy.

We will incorporate the records of the rescinded reviews into the records of the appropriate administrative reviews.

Dated: October 19, 2007.

David M. Spooner,

Assistant Secretary for Import Administration.

Corrosion-Resistant Carbon Steel Flat Products From Korea: Extension of Time Limits for the Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Victoria Cho at (202) 482-5075, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave., NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:**Background**

On September 29, 2006, the U.S. Department of Commerce (“Department”) published a notice of initiation of the administrative review of the antidumping duty order on corrosion-resistant carbon steel flat products from Korea, covering the period August 1, 2005 to July 31, 2006. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 71 FR 57465 (September 29, 2006). On September 10, 2007, the Department published the preliminary results of this review. See *Certain Corrosion Resistant Carbon Steel Flat Products from the Republic of Korea: Notice of Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review*, 72 FR 51584 (September 10, 2007). The final results of this review are currently due no later than January 8, 2008.

Extension of Time Limit of Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), requires the Department to issue final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to a maximum of 180 days. See also 19 CFR 351.213(h)(2).

We determine that it is not practicable to complete the final results of this review within the original time limit. Several technical issues arose which require the collection and analyses of certain additional information after the preliminary results. Therefore, to allow sufficient time to collect and analyze the additional information, and to conduct the briefing process, the Department is fully extending the final results. The final results are now due not later than March 10, 2008, the next business day after 180 days from publication of the preliminary results. The amended schedule for interested parties to submit case briefs, written comments, and/or hearing is not later than Monday, January 14, 2008. Rebuttal briefs are limited to issues raised in such briefs or comments and may be filed no later than five days after the time limit for filing the case briefs or comments. See 19 CFR 351.309(d). Any hearing, if requested, ordinarily will be held two days after the due date of the rebuttal briefs.

This extension is in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: October 22, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

On April 6, 2007, the Department of Commerce (the Department) published notices of initiation of the administrative reviews of the antidumping duty orders on certain frozen warmwater shrimp from Brazil, Ecuador, India, and Thailand, and the Socialist Republic of Vietnam (Vietnam), covering the period February 1, 2006, through January 31, 2007. Extension of Time Limit of Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination in an administrative review within 245 days after the last day of the anniversary month of an order or finding for which a review is requested. Consistent with section 751(a)(3)(A) of the Act, the Department may extend the 245-day period to 365 days if it is not practicable to complete the review within a 245-day period. The deadline for the preliminary results of these reviews is currently October 31, 2007.

The Department determines that completion of the preliminary results of these administrative reviews within the statutory time period is not practicable.
