

submission of applications for several Rehabilitation Training: Rehabilitation Long-Term Training programs. In all of the affected competitions, the Assistant Secretary is making new awards for fiscal year (FY) 2008. The Assistant Secretary takes this action to allow more time for the preparation and submission of applications by potential applicants affected by the wildfires in southern California. The extension of the application deadline date for these competitions is intended to help potential applicants compete fairly with other applicants under these programs.

Note: Information related to each of these competitions can be found under the chart entitled "List of Programs Affected" in the **SUPPLEMENTARY INFORMATION** section of this notice.

Eligibility: The extension of deadline dates in this notice applies to States and public or nonprofit agencies and organizations, including Indian tribes and institutions of higher education, that are located in a Federally-declared disaster area, as determined by the Federal Emergency Management Agency (FEMA) (see <http://www.fema.gov/news/disasters.fema>), and adversely affected

by the wildfires in California. You must provide a certification in your application that you meet one of these criteria for submitting an application on the *Extended Deadline* and be prepared to provide appropriate supporting documentation, if requested. The submission of the electronic application serves as your attestation that you meet the criteria for submitting an application on the *Extended Deadline*.

DATES: The new deadline date for transmitting applications under each competition is listed with that competition in the chart entitled "List of Programs Affected" in the **SUPPLEMENTARY INFORMATION** section of this notice. As these programs are subject to Executive Order 12372, the relevant deadline for intergovernmental review is also indicated in this chart.

ADDRESSES: The address and telephone number for obtaining applications for, or information about, an individual program or competition are in the application notice for that program or competition. We have listed the date and **Federal Register** citation of the application notice for each program in

the chart entitled "List of Programs Affected."

If you use a telecommunications device for the deaf (TDD), you may call the TDD number, if any, listed in the individual application notice. If we have not listed a TDD number, you may call the Federal Relay Service (FRS) at 1-800-877-8339.

If you want to transmit a recommendation or comment under Executive Order 12372, you can find the most recent list and addresses of individual Single Points of Contacts (SPOCs) on the Web site of the Office of Management and Budget at the following address: <http://www.whitehouse.gov/omb/grants/spoc.html>.
