#### Notice of Extension of the Final Results of Antidumping Duty New Shipper Review: Honey from the People's Republic of China

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** October 31, 2007.

**FOR FURTHER INFORMATION CONTACT:** Erin C. Begnal or Michael Quigley; AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-1442 and (202) 482-4047, respectively.

#### Background

On July 3, 2007, the Department of Commerce ("Department") published the preliminary results of the new shipper review of the antidumping duty order on honey from the People's Republic of China for the period December 1, 2005, through June 30, 2006. See *Honey from the People's Republic of China: Preliminary Results of Antidumping Duty New Shipper Review*, 72 FR 36422 (July 3, 2007) ("*Preliminary Results*"). On September 25, 2007, the Department extended the final results by thirty days. See *Notice of Extension of the Final Results of Antidumping Duty New Shipper Review: Honey From the People's Republic of China*, 72 FR 54436 (September 25, 2007). The final results of this new shipper review are currently due by October 24, 2007.

#### Extension of Time Limits for Final Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.214(i)(1) require the

Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated and final results of a review within 90 days after the date on which the preliminary results were issued. The Department may, however, extend the deadline for completion of the final results of a new shipper review to 150 days if it determines that the case is extraordinarily complicated (19 CFR 351.214 (i)(2)).

The Department has determined that the review is extraordinarily complicated, as the Department must consider numerous arguments presented in the respondent's August 2, 2007, case brief and the petitioners' August 8, 2007, rebuttal brief. In particular, the Department needs more time to analyze specific sections of the Department's preliminary determination to apply adverse facts available to Shanghai Bloom, including whether Shanghai Bloom and its producer precluded the Department from verifying the accuracy of information they submitted on the record pertaining to corporate structure and sales negotiations. Based on the timing of the case, the final results of this new shipper review cannot be completed within the statutory time limit of 90 days. Accordingly, the Department is fully extending the time limit for the completion of the final results by 30 days from the extended October 24, 2007, deadline, to November 23, 2007, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2). This notice is published pursuant to sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act.

Dated: October 23, 2007.
