CORPORATION FOR NATIONAL AND COMMUNITY SERVICE**Proposed Information Collection; Comment Request**

AGENCY: Corporation for National and Community Service.

ACTION: Notice.

SUMMARY: The Corporation for National and Community Service (hereinafter the "Corporation"), as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. Sec. 3506(c)(2)(A)). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection

instruments are clearly understood, and the impact of collection requirement on respondents can be properly assessed.

Currently, the Corporation is soliciting comments concerning its proposed renewal of its Financial Management Survey (FMS) form. The FMS is a tool used by Corporation staff to assess the financial management capabilities of applicants for Corporation funding.

Copies of the information collection requests can be obtained by contacting the individual listed in the **FOR FURTHER INFORMATION CONTACT** section of this notice.

- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are expected to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or

other forms of information technology (e.g., permitting electronic submissions of responses).

Background

The Corporation developed the Financial Management Survey to implement its pre-award policy (CFO-029, effective 1/17/02) which provides reasonable assurance that federal grant funds will be expended and accounted for in ways that meet program objectives, the award terms and conditions, and applicable federal statutes, regulations and guidelines. The Financial Management Survey standardizes the pre-award process and ensures uniform consideration of the capacity of prospective grantees of the Corporation to manage federal funds.

The Financial Management Survey will be used for the following purposes:

(1) As a pre-award assessment tool of the capacity of a potential grantee to manage federal funds in excess of \$100,000; and

(2) As part of the basis for determining the financial management areas in which a prospective grantee, should it receive an award from the Corporation, may warrant technical assistance.

Current Action

The Corporation seeks to renew and revise the current Financial Management Survey. The revised Financial Management Survey is more user friendly, eliminates duplication in the survey, and clarifies questions to further allow Corporation staff to assess financial capabilities. The survey will otherwise be used in the same manner as the existing survey. The Corporation also seeks to continue using the current survey until the revised survey is approved by OMB. The current survey is due to expire on January 31, 2008.
