SUPPLEMENTARY INFORMATION:

Introduction

The Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act), 16 U.S.C. 1801 *et seq.*, as amended by the Sustainable Fisheries Act, Public Law 104-297, provided for the establishment of Advisory Panels to assist in the collection and evaluation of information relevant to the development of any Fishery Management Plan (FMP) or FMP amendment. The AP has consulted with NMFS on the HMS FMP (April 1999), Amendment 1 to the Billfish FMP (April 1999), Amendment 1 to the HMS FMP (December 2004), the Consolidated

HMS FMP (March 2006), and Amendments 1 and 2 to the Consolidated HMS FMP (October 2007).

Procedures and Guidelines

A. Nomination Procedures for Appointments to the Advisory Panel

Nomination packages should include:

1. The name of the applicant or nominee and a description of his/her interest in HMS or in one species of sharks, swordfish, tunas, or billfish;
2. A statement of background and/or qualifications;
3. A written commitment that the applicant or nominee shall actively participate in good faith in the tasks of the AP; and
4. A list of outreach resources that the applicant has at his/her disposal to communicate HMS issues to various interest groups.

Tenure for the HMS AP

Member tenure will be for 3 years (36 months), with approximately one-third of the members' terms expiring on December 31 of each year. Nominations are sought for terms beginning January 2008 and expiring December 2010.

B. Participants

Nominations for the AP will be accepted to allow representation from recreational and commercial fishing interests, the conservation community, and the scientific community. The HMS AP consists of members who are knowledgeable about the fisheries for Atlantic HMS. Table 1 outlines the current representation of AP members whose terms are expiring by sector (i.e. commercial, recreational, environmental, or academic) and species (HMS, Tunas, Swordfish, Billfish, or Sharks). NMFS solicits nominations for these vacancies. Current representation on the HMS AP consists of 12 members representing commercial and/or recreational interests, 4 members representing environmental or academic interests, and 1 ICCAT Advisory Committee Chairperson. NMFS will seek to fill vacancies based principally on maintaining the current representation from each of the sectors, and secondarily by representation from the regions and/or species expertise.

NMFS does not believe that each potentially affected organization or individual must necessarily have its own representative, but each sector must be adequately represented. The intent is to have a group that, as a whole, reflects an appropriate and equitable balance and mix of interests given the responsibilities of the AP. Criteria for membership include one or more of the following: (1) experience in the HMS recreational fishing industry; (2) experience in the HMS commercial fishing industry; (3) experience in fishery-related industries (e.g., marinas, bait and tackle shops); (4) experience in the scientific community working with HMS; and/or (5) representation of a private; non-governmental; regional, national, or international organization representing marine fisheries, environmental, governmental, or academic interests dealing with HMS.

Five additional members on the AP include one member representing each of the following Councils: New England Fishery Management Council, the Mid-Atlantic Fishery Management Council, the South Atlantic Fishery Management Council, the Gulf of Mexico Fishery Management Council, and the Caribbean Fishery Management Council. The AP also includes 22 ex-officio participants: 20 representatives of the coastal states and two representatives of the interstate commissions (the Atlantic States Marine Fisheries Commission and the Gulf States Marine Fisheries Commission).

NMFS will provide the necessary administrative support, including technical assistance, for the AP. However, NMFS will not compensate participants with monetary support of any kind. Depending on availability of funds, members may be reimbursed for travel costs related to the AP meetings.

C. Meeting Schedule

Meetings of the AP will be held as frequently as necessary but are routinely

held twice each year in the spring and fall. The meetings may be held in conjunction with public hearings.
