1. Sheltered Workshop Wage Reporting—0960-NEW.

Collection Background

Section 1612(1)(C) of the Social Security Act (the Act) and 42 U.S.C. 1382a define remuneration received for services performed in a sheltered workshop as earned income for the SSI program. The amount of monthly wages determines an individual's SSI benefit amount.

Collection Description

SSA has maintained a working relationship with sheltered workshops since the inception of the SSI program. Most workshops report monthly wage totals to the local SSA office so that the client's SSI check is adjusted timely and overpayments are prevented. While participation of the workshop is strictly voluntary, they are highly motivated to report the wages because it provides a service to their clients. Sheltered Workshop reporting reduces the number of overpayments to SSI recipients. Processing these wage reports electronically reduces the cost of administering the program. SSA uses the information collected to verify and post monthly wages to the SSI recipient's record. Respondents are sheltered workshops that report monthly wages for services performed in the workshop.

and (e), 408.941(b) and 408.942—0960-0698. Title VIII allows the payment of a monthly benefit by the Commissioner of Social Security to a qualified World War II veteran who resides outside the United States. When an overpayment in SVB occurs, the beneficiary can use this form to request waiver of recovery of the overpayment or a change in the repayment rate. The SSA-2032-BK will be used to obtain the information necessary to determine whether the provisions of the Act regarding waiver of recovery of the overpayment are met. The information on the form is needed to determine a repayment rate if repayment cannot be waived. The respondents are beneficiaries who have overpayments on their Title VIII record and wish to file a claim for waiver of recovery or change in repayment rate.
