FEDERAL TRADE COMMISSION

Granting of Request for Early Termination of the Waiting Period Under the Premerger Notification Rules

Section 7A of the Clayton Act, 15 U.S.C. 18a, as added by Title II of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, requires persons contemplating certain mergers or acquisitions to give the Federal Trade Commission and the Assistant Attorney General advance notice and to wait designated periods before consummation of such plans. Section

7A(b)(2) of the Act permits the agencies, in individual cases, to terminate this waiting period prior to its expiration and requires that notice of this action be published in the **Federal Register**.

The following transactions were granted early termination of the waiting period provided by law and the premerger notification rules. The grants were made by the Federal Trade Commission and the Assistant Attorney General for the Antitrust Division of the Department of Justice. Neither agency intends to take any action with respect to these proposed acquisitions during the applicable waiting period.

**GENERAL SERVICES
ADMINISTRATION**

[FMR Bulletin 2008-B1]

**Delegations of Lease Acquisition
Authority—Notification, Usage, and
Reporting Requirements for General
Purpose, Categorical, and Special
Purpose Space Delegations**

AGENCY: General Services
Administration.
ACTION: Notice of bulletin.

SUMMARY: The Government
Accountability Office and the General
Services Administration Office of
Inspector General have reported that
some Federal agencies using the
delegated leasing authority issued to
Federal agencies on September 25, 1996,
are not following properly the
instructions specified as a condition for
use of the leasing delegation. The
attached bulletin re-emphasizes and
updates the conditions, restrictions and
reporting requirements specified in the
delegation of authority and its
supporting information. This bulletin is
in keeping with the spirit of Executive
Order 13327, “Federal Real Property
Asset Management,” to maximize the
increased governmentwide emphasis on
real property inventory management.

and any associated documents may be

SUPPLEMENTARY INFORMATION: FPMR D-
239, published in the **Federal Register**
on October 16, 1996, announced a new
GSA leasing program called “Can’t Beat

GSA Leasing” and the delegation of
lease acquisition authority issued by the
Administrator of General Services to the
heads of all Federal agencies in his
letter of September 25, 1996. GSA
Bulletin FPMR D-239, Supplement 1,
published in the **Federal Register** on
December 18, 1996, issued supporting
information for the delegation. GSA
Bulletin FMR 2005-B1, published in the
Federal Register on May 25, 2005,
revised and re-emphasized certain
procedures associated with the
delegation of General Purpose leasing
authority.

There have been several instances
reported of agencies failing to meet the
conditions required for use of the lease
delegation:

1. Several agencies have failed to
notify GSA prior to conducting a
specific leasing action;
2. Semi-annual performance reports
on use of the lease delegation are not
being submitted to GSA on a regular
basis;
3. Some agencies have exceeded the
authority of the delegation, which is
