This notice provides the start date for TWIC initial enrollment at the Port of Lake Charles, LA. Enrollment in this port begins on November 21, 2007. The Coast Guard will publish a separate notice in the **Federal Register** indicating when facilities within the Captain of the Port Zone Port Arthur, including those in the Port of Lake Charles, LA must comply with the portions of the final rule requiring TWIC to be used as an access control measure. That notice will be published at least 90 days before compliance is required.

To obtain information on the pre-enrollment and enrollment process, and enrollment locations, visit TSA's TWIC Web site at <http://www.tsa.gov/twic>.
