

closed session on February 12–13, 2008; at Strategic Analysis, Inc., 3601 Wilson Boulevard, Arlington, VA. The Task Force members will discuss interim findings and recommendations resulting from ongoing Task Force activities. The Task Force will also discuss plans for future consideration of scientific and technical aspects of specific strategies, tactics, and policies as they may affect the U. S. national defense posture.

The mission of the Defense Science Board is to advise the Secretary of Defense and the Under Secretary of Defense for Acquisition, Technology & Logistics on scientific and technical matters as they affect the perceived needs of the Department of Defense. At these meetings, the Defense Science Board Task Force will act as an independent sounding board to the Joint IED organization by providing feedback at quarterly intervals; and develop strategic and operational plans, examining the goals, process and substance of the plans.

The task force's findings and recommendations, pursuant to 41 CFR 102–3.140 through 102–3.165, will be presented and discussed by the membership of the Defense Science Board prior to being presented to the Government's decision maker.

Pursuant to 41 CFR 102–3.120 and 102–3.150, the Designated Federal Officer for the Defense Science Board will determine and announce the **Federal Register** when the findings and recommendations of the February 12–13, 2008, meeting are deliberated by the Defense Science Board.

Interested persons may submit a written statement for consideration by the Defense Science Board. Individuals submitting a written statement must submit their statement to the Designated Federal Official at the address detailed below, at any point, however, if a written statement is not received at least 10 calendar days prior to the meeting, which is the subject of this notice, then it may not be provided to or considered by the Defense Science Board. The Designated Federal Official will review all timely submissions with the Defense Science Board Chairperson, and ensure they are provided to members of the Defense Science Board before the meeting that is the subject of this notice.
