BILLING CODE 7010-01-P

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 731-TA-1131-1134 (Preliminary)]

Polyethylene Terephthalate Film, Sheet, and Strip From Brazil, China, Thailand, and the United Arab Emirates

Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission (Commission) determines, pursuant to section 733(a) of the Tariff Act of 1930 (19 U.S.C. 1673b(a)) (the Act), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports from Brazil, China, Thailand, and the United Arab Emirates of polyethylene terephthalate film, sheet, and strip provided for in subheading 3920.62.00 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value (LTFV).

Commencement of Final Phase Investigations

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in section 207.21 of the Commission's rules, upon notice from the Department of Commerce (Commerce) of affirmative preliminary determinations in the investigations under section 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in the investigations under section 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under

investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Background

On September 28, 2007, a petition was filed with the Commission and Commerce by DuPont Teijin Films, Hopewell, VA; Mitsubishi Polyester Film of America, Greer, SC; SKC America, Inc., Covington, GA; and Toray Plastics (America), Inc., North Kingston, RI, alleging that an industry in the United States is materially injured and threatened with further material injury by reason of LTFV imports of polyethylene terephthalate film, sheet, and strip from Brazil, China, Thailand, and the United Arab Emirates. Accordingly, effective September 28, 2007, the Commission instituted antidumping duty investigation Nos. 731-TA-1131-1134 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of October 5, 2007 (72 FR 57068). The conference was held in Washington, DC, on October 19, 2007, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on November 13, 2007. The views of the Commission are contained in USITC Publication 3962 (November 2007), entitled *Polyethylene Terephthalate Film, Sheet, and Strip from Brazil, China, Thailand, and the United Arab Emirates: Investigation Nos. 731-TA-1131-1134 (Preliminary)*.

By order of the Commission.

Issued: November 21, 2007.

Marilyn R. Abbott,

Secretary to the Commission.
