

with the fact that no appraisal or valuation was conducted. Neither the GOC nor ZZPC has provided any explanation of the process used by the Zhangjiagang Jingang Town Assets Management Company or ZZPC to establish the value of the land use rights, a description of the negotiation process, or the prices for land use rights for comparable plots. Without this information, we are not able to determine whether the provision of land to ZZPC should be considered specific within the meaning of section 771(5A) of the Act and, if so, how to determine what would constitute adequate remuneration for the land use rights.

We intend to seek further information on these questions and to issue an interim analysis describing our preliminary findings with respect to this program before the final determination so that parties will have the opportunity to comment on our findings before the final determination. In the meantime, we invite parties to submit information and argument on the basis for making a specificity determination with respect to the provision of land and how adequate remuneration should be determined. These submissions should be made no later than December 21, 2007.

Verification

In accordance with section 782(i)(1) of the Act, we will verify the information submitted by the respondents prior to making our final determination.

Suspension of Liquidation

In accordance with section 703(d)(1)(A)(i) of the Act, we calculated an individual rate for each exporter/manufacturer of the subject merchandise. We preliminarily determine the total estimated net countervailable subsidy rates to be:

Exporter/Manufacturer	Net Subsidy Rate
Kunshan Lets Win Steel Machinery Co., Ltd.	0.27 percent
Qingdao Xiangxing Steel Pipe Co.	
Zhangjiagang Zhongyuan Pipe-making Co., Ltd., Jiangsu Qiyuan Group Co, Ltd.	77.85 percent
All-Others	2.99 percent
	2.99 percent

Sections 703(d) and 705(c)(5)(A) of the Act state that for companies not investigated, we will determine an all-others rate by weighting the individual company subsidy rate of each of the companies investigated by each company's exports of the subject merchandise to the United States. However, the all-others rate may not

include zero and *de minimis* rates or any rates based solely on the facts available. In this investigation, because we have only one rate that can be used to calculate the all-others rate, ZZPC's rate, we have assigned that rate to all-others.

In accordance with sections 703(d)(1)(B) and (2) of the Act, we are directing CBP to suspend liquidation of all entries of LWRP from the PRC that are entered, or withdrawn from warehouse, for consumption on or after the date of the publication of this notice in the **Federal Register**, and to require a cash deposit or bond for such entries of merchandise in the amounts indicated above. Neither the suspension of liquidation nor the requirement for a cash deposit or bond will apply to merchandise produced and exported by Lets Win because the Department has preliminarily determined that Lets Win received *de minimis* subsidies.

ITC Notification

In accordance with section 703(f) of the Act, we will notify the ITC of our determination. In addition, we are making available to the ITC all non-privileged and non-proprietary information relating to this investigation. We will allow the ITC access to all privileged and business proprietary information in our files, provided the ITC confirms that it will not disclose such information, either publicly or under an administrative protective order, without the written consent of the Assistant Secretary for Import Administration.

In accordance with section 705(b)(2) of the Act, if our final determination is affirmative, the ITC will make its final determination within 45 days after the Department makes its final determination.

Disclosure and Public Comment

In accordance with 19 CFR 351.224(b), we will disclose to the parties the calculations for this preliminary determination within five days of its announcement.

Case briefs for this investigation must be submitted no later than one week after the issuance of the last verification report. See 19 CFR 351.309(c) (for a further discussion of case briefs). Rebuttal briefs must be filed within five days after the deadline for submission of case briefs, pursuant to 19 CFR 351.309(d)(1). A list of authorities relied upon, a table of contents, and an executive summary of issues should accompany any briefs submitted to the Department. Executive summaries should be limited to five pages total, including footnotes.

Section 774 of the Act provides that the Department will hold a public hearing to afford interested parties an opportunity to comment on arguments raised in case or rebuttal briefs, provided that such a hearing is requested by an interested party. If a request for a hearing is made in this investigation, the hearing will tentatively be held two days after the deadline for submission of the rebuttal briefs, pursuant to 19 CFR 351.310(d), at the U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230. Parties should confirm by telephone the time, date, and place of the hearing 48 hours before the scheduled time.

Interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Import Administration, U.S. Department of Commerce, Room 1870, within 30 days of the publication of this notice, pursuant to 19 CFR 351.310(c). Requests should contain: (1) the party's name, address, and telephone; (2) the number of participants; and (3) a list of the issues to be discussed. Oral presentations will be limited to issues raised in the briefs.

This determination is published pursuant to sections 703(f) and 777(i) of the Act.

Dated: November 26, 2007.

David M. Spooner,

Assistant Secretary for Import Administration.
