Applicants' Representations

1. The Trust is organized as Ohio business trust and is registered under the Act as an open-end management investment company. The Adviser, a Delaware corporation, is registered as an investment adviser under the Investment Advisers Act of 1940 ("Advisers Act").

2. The Trust currently offers a number of series, each with its own investment objective(s), policies and restrictions. The Adviser will serve as the investment adviser to two of the series of the Trust (each, a "Fund," and collectively, the "Funds"). The Adviser will enter into an investment advisory agreement with the Trust for each Fund (each, an "Advisory Agreement," and collectively, the "Advisory Agreements") approved by the board of

trustees of the Trust (the "Board"), including a majority of the trustees who are not "interested persons," as defined in section 2(a)(19) of the Act (the "Independent Trustees"), and the shareholders of each Fund.¹

3. The Advisory Agreement permits the Adviser to enter into separate advisory agreements ("Subadvisory Agreements") with subadvisers ("Subadvisers"). Each Subadviser will be registered under the Advisers Act. The specific investment decisions for each Fund using a Subadviser will be made by that Subadviser, who will be granted discretionary authority to invest the assets, or a portion of the assets, of a particular Fund, subject to the general supervision by the Adviser and the Board. The Adviser will select Subadvisers based on an evaluation of their skills and proven abilities in managing assets pursuant to a specific investment style and will recommend their hiring to the Board. Subadvisers must be approved by the Board, including a majority of the Independent Trustees. The Adviser will monitor and evaluate the performance of Subadvisers and recommend to the Board their hiring, termination and replacement. The Adviser will compensate a Subadviser out of the management fee paid to the Adviser by the Fund under the Advisory Agreement.

4. Applicants request an order to permit the Adviser, subject to Board approval, to enter into and materially amend Subadvisory Agreements without obtaining shareholder approval. The requested relief will not extend to any Subadviser that is an "affiliated person," as defined in section 2(a)(3) of the Act, of a Fund or the Adviser, other than by reason of serving as a Subadviser to one or more of the Funds ("Affiliated Subadviser").

5. Applicants also request an exemption from the various disclosure provisions described below that may require each Fund to disclose fees paid by the Adviser to the Subadvisers. An

¹ Applicants also request relief with respect to any future series of the Trust and any other existing or future registered open-end management investment company or series thereof that: (a) Is advised by the Adviser or any person controlling, controlled by, or under common control with the Adviser; (b) uses the management structure described in the application; and (c) complies with the terms and conditions contained in the application (included in the term "Funds"). The Trust is the only existing investment company that currently intends to rely on the requested order. If the name of any Fund contains the name of a Subadviser (as defined below), the name of the Adviser or the name of the entity controlling, controlled by, or under common control with the Adviser that serves as the primary adviser to such Fund, or a trademark or trade name owned by them, will precede the name of the Subadviser.
