SUPPLEMENTARY INFORMATION:

A. Background

DoD Directive 7230.8, Leases and Demonstrations of DoD Equipment,

contains policy on the leasing of DoD equipment to defense contractors for demonstration to foreign governments or for display or demonstration at international trade shows and exhibitions. In addition to the leasing of equipment, contractors may obtain related support services from DoD. The Directive provides that the contractor leasing the equipment may not recover the DoD charges associated with the lease, directly or indirectly through any U.S. Government contract, except to the extent chargeable to contracts for foreign military sales. For consistency with the policy in DoD Directive 7230.8, this proposed rule adds DFARS text to address the limitations on the allowability of costs associated with the leasing of Government equipment.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

DoD does not expect this rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule is consistent with existing DoD policy, and applies only in those situations where a contractor chooses to lease military equipment for display or demonstration purposes. Therefore, DoD has not performed an initial regulatory flexibility analysis. DoD invites comments from small businesses and other interested parties. DoD also will consider comments from small entities concerning the affected DFARS subparts in accordance with 5 U.S.C. 610. Such comments should be submitted separately and should cite DFARS Case 2007–D004.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply, because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

2. Section 225.7303–2 is amended by revising paragraph (b) and adding paragraph (e) to read as follows:

* * * * *

(b) Costs not allowable under FAR Part 31 are not allowable in pricing FMS contracts, except as noted in paragraphs (c) and (e) of this subsection.

* * * * *

(e) The limitations on allowability of costs associated with leasing Government equipment, in 231.205–1, do not apply to FMS contracts.

PART 231—CONTRACT COST PRINCIPLES AND PROCEDURES

3. Section 231.205–1 is added to read as follows:

231.205–1 Public relations and advertising costs.

(e) See 225.7303–2(e) for allowability provisions affecting foreign military sales contracts.

(f) Unallowable public relations and advertising costs also include monies paid to the Government associated with the leasing of Government equipment, including lease payments and reimbursement for support services, except for foreign military sales contracts as provided for at 225.7303–2. SUPPLEMENTARY INFORMATION

A. Background

The clauses at DFARS 252.228–7001, Ground and Flight Risk, and DFARS 252.228–7002, Aircraft Flight Risk, are presently used in contracts involving the furnishing of aircraft to the Government. The clause at 252.228–7001 is used in negotiated fixed-price contracts, and the clause at 252.228–7002 is used in cost-reimbursement contracts. This proposed rule revises and combines the two clauses into a single ground and flight risk clause, to establish requirements that apply consistently to all contract types. In addition, a new section is added at DFARS 231.205–19 to specifically reference the treatment of insurance costs under the new clause and the existing clause at DFARS 252.217–7012, Liability and Insurance.

The proposed changes include—

- Addition of a requirement for inclusion of the clause in all subcontracts;
- Addition of a statement that the Government property clause is not applicable if the Government withdraws its self-insurance coverage;
- Addition of a statement that commercial insurance costs or self-insurance charges that duplicate the Government's self-insurance are unallowable; and
