SUPPLEMENTARY INFORMATION:

Abstract

The information collection process is necessary to assess work history and training needs of adult Indians who reside on or near Indian reservations, and who desire to obtain reasonable and satisfactory employment. The information collection document provides data necessary to administer the Job Placement & Training program. The Department is authorized to undertake a program of Job Placement which may include financial assistance, vocational training (including apprenticeships and on-the-job training), counseling, guidance, and related services for any recognized vocation. The program is available to Indians who are not less than 18 years old and who reside on or near an Indian reservation (and in Alaska). Public Law 84-959 and Public Law 88-230 authorize the BIA to enter into contracts or agreements with Federal, State, and local government agencies or associations with non-apprenticeship programs, apprenticeship programs, or on-the-job training that leads to skilled employment. The same application form is used for both 25 CFR Parts 26 (Employment Assistance for Adult Indians) and 27 (Vocational Training for Adult Indians). Information of a confidential nature is protected by the Privacy Act. A request for comments on this information collection was published in the **Federal Register** on July 6, 2007 (72 FR 37043). No comments received.
