Applicants must submit project plans and budgets for each of the three (3) program years under the award (April 1, 2008–March 31, 2009, April 1, 2009–March 31, 2010 and April 1, 2010–March 31, 2011). Projects will be funded for no more than one year at a time. Project operators will not compete for funding in subsequent program years within the approved award period. However, operators that fail to achieve a “satisfactory” or better performance rating for the preceding program year may be denied second- or third-year funding (as the case may be).

Recommendations for second- and third-year funding are generally evaluated by MBDA based on a mid-year performance rating and/or combination of mid-year and cumulative third quarter performance ratings. In making such funding recommendations, MBDA and the Department of Commerce will consider the facts and circumstances of each case, such as but not limited to market conditions, most recent performance of the operator and other mitigating circumstances.

Applicants are hereby given notice that FY 2008 funds have not yet been appropriated for the MBOC program. Accordingly, MBDA issues this notice subject to the appropriations made available under the current continuing resolution, H.J. Res. 52, “Making continued appropriations for the fiscal year 2008, and for other purposes,” Public Law 110–92, as amended by H.R. 3222, Public Law 110–116. In no event will MBDA or the Department of Commerce be responsible for proposal preparation costs if this program fails to receive funding or is cancelled because of other MBDA or Department of Commerce priorities.

**Authority:** 15 U.S.C. 1512 and Executive Order 11625.
requirements and providing contract and financing opportunities to eligible minority entrepreneurs.

Minority entrepreneurs eligible for assistance under the MBOC Program are African Americans, Puerto Ricans, Spanish-speaking Americans, Aleuts, Asian Pacific Americans, Native Americans (including Alaska Natives, Alaska Native Corporations and tribal entities), Eskimos, Asian Indians and Hasidic Jews. No service may be denied to any member of the eligible groups listed above.

The MBOC Program generally requires project staff to provide standardized business assistance and brokering services directly to eligible MBE clients, with an emphasis on those firms with $500,000 or more in annual revenues or those eligible firms with “rapid growth potential” (“Strategic Growth Initiative” or “SGI” firms); to develop and maintain a network of strategic partnerships; to provide collaborative consulting services with MBDA and other MBDA funded programs and strategic partners; and to provide referral services (as necessary) for client transactions. MBOC operators will assist MBE clients in accessing federal and non-federal contracting and financing opportunities that result in demonstrable client outcomes. The MBOC Program’s primary evaluation criterion is the dollar value of contracts and financial transactions awarded to MBEs. MBOCs also provide business assistance services including but not limited to assessing client capabilities and needs, and assisting the client in developing a course of action to successfully obtain contracts and financial transactions. Specific work requirements and performance metrics are used by MBDA to evaluate each project and are a key component of the MBOC program and are fully set forth in the FFO.

The MBOC Program also incorporates an entrepreneurial approach to building market stability and improving quality of services delivered. This strategy expands the reach of the MBOCs by requiring project operators to develop and build upon strategic alliances with public and private sector partners, as a means of serving minority-owned firms within each MBOC’s geographical service area. This entrepreneurial strategy expands the reach of the MBOCs by requiring project operators to develop and build upon its advisory committee and strategic alliances with public and private sector partners as a means of serving minority-owned firms within each MBOC’s geographical service area. The MBOC Program is also designed to leverage MBDA resources including but not limited to: MBDA Office of Business Development; MBDA National Enterprise Centers; MBDA Business Internet Portal; and MBDA’s network of Native American Business Enterprise Centers (NABECs), Minority Business Enterprise Centers (MBECs), and other MBOCs. MBOC operators are required to attend a variety of MBDA training programs designed to increase operational efficiencies and the provision of value-added client services. MBOC operators are generally required to provide the following three client services: (1) Facilitate the Award of Contract and Financial Transactions—this involves providing business assistance and brokering services to minority-owned businesses, including the identification of public and private sector contract and financing opportunities; (2) MBOC Advisory Committee and Subcommittees—this involves the establishment and operation of advisory committees consisting of public and private sector executives and key decision makers that assist the MBOC operator in implementing its program and in identifying upcoming contract and financing opportunities for MBEs; and (3) Program Promotion and Advocacy—the MBOC operator is required to promote its activities within the minority business community and to advocate the use of minority businesses with respect to contracting and financing opportunities.

Please refer to the FFO pertaining to this competitive solicitation for a full and complete description of the MBOC Program.

**Evaluation Criterion:**

**Match Requirements:** The MBOC Program requires a minimum non-federal cost share of 20%, which must be reflected in the proposed project budget. Non-federal cost share is the portion of the project cost not borne by the Federal Government. Applicants must satisfy the non-federal cost sharing requirements in one or more of the following four means or in any combination thereof: (1) Client fees; (2) applicant cash contributions; (3) applicant in-kind (i.e., non-cash) contributions; or (4) third-party in-kind contributions. The MBOC operator may but is not required to charge client fees for services rendered, although MBDA encourages the applicant to implement a fee-for-service program. Client fees (if imposed) must be used towards meeting non-federal cost share requirements and must be used in furtherance of the program objectives. Applicants will be awarded bonus points to the extent that the proposed project budget includes a non-federal cost share contribution, measured as a percentage of the overall project budget, exceeding 20% (see Evaluation Criterion below).

**Evaluation Criterion:** Proposals will be evaluated and applicants will be selected based on the below evaluation criterion. The maximum total number of points that an application may receive is 105, including the bonus points for exceeding the minimum required non-federal cost sharing, except when oral presentations are made by applicants. If oral presentations are made (see below: Oral Presentation—Optional), the maximum total of points that can be earned is 115. The number of points assigned to each evaluation criterion will be determined on a competitive basis by the MBDA review panel based on the quality of the application with respect to each evaluation criterion.

All of the proposed program costs expenditures should be discussed and the budget line-item narrative must match the proposed budget. Fringe benefits and other percentage item calculations should match the proposed budget line-item and narrative (5 points);  
(b) Non-Federal Cost Share. The required 20% non-Federal share must be adequately addressed and properly documented, including but not limited to how client fees (if proposed) will be used by the applicant in meeting the non-federal cost-share (5 points); and  
(c) Performance-Based Budgeting. The extent to which the line-item budget and budget narrative relate to the accomplishment of the MBOC work requirements and performance measures (i.e., performance-based budgeting) (10 points).

Review and Selection Process:

1. Initial Screening

Prior to the formal paneling process, each application will receive an initial screening to ensure that all required forms, signatures and documentation are present. An application will be considered non-responsive and will not be evaluated by the review panel if it is received after the closing date for receipt of applications, the applicant fails to submit an original, signed Form SF–424 by the application closing date (paper applications only), or the application does not provide for the operation of an MBOC. Other application deficiencies may be accounted for through point deductions during panel review.

2. Panel Review

Each application will receive an independent, objective review by a panel qualified to evaluate the
applications submitted. The review panel will consist of at least 3 persons, all of whom will be full-time federal employees and at least one of whom will be an MBDA employee, who will review the applications for a specified project based on the above evaluation criterion. Each reviewer shall evaluate and provide a score for each proposal. Each project review panel (through the panel Chairperson) shall provide the MBDA National Director (Recommending Official) with a ranking of the applications based on the average of the reviewers’ scores and shall also provide a recommendation regarding funding of the highest scoring application.

3. Oral Presentation—Upon MBDA Request

MBDA may invite the two (2) top-ranked applicants for each project competition to develop and provide an oral presentation. If an oral presentation is requested, the affected applicants will receive a formal communication (via standard mail, e-mail or fax) from MBDA indicating the time and date for the presentation. In-person presentations are not mandatory but are encouraged; telephonic presentations are acceptable. Applicants will be asked to submit a PowerPoint presentation (or equivalent) to MBDA that addresses the oral presentation criteria set forth above. The presentation must be submitted at least 24 hours before the scheduled date and time of the presentation. The presentation will be made to the MBDA National Director (or his/her designee) and up to three senior MBDA staff who did not serve on the original review panel. The oral panel members may ask follow-up questions after the presentation. MBDA will provide the teleconference dial-in number and pass code. Each applicant will present to MBDA staff only; competitors are not permitted to listen (and/or watch) other presentations.

All costs pertaining to this presentation shall be borne by the applicant. MBOC award funds may not be used as a reimbursement for this presentation. MBDA will not accept any requests or petitions for reimbursement. The oral panel members shall score each presentation in accordance with the oral presentation criterion provided above. An average score shall be compiled and added to the score of the original panel review.

4. Final Recommendation

The MBDA National Director makes the final recommendation to the Grants Officer regarding the funding of applications under this competitive solicitation. MBDA expects to recommend for funding the highest ranking application for each project, as evaluated and recommended by the review panel and taking into account oral presentations (as applicable). However, the MBDA National Director may not make any selection, or he may select an application out of rank order for the following reasons:

(a) A determination that an application better addresses one or more of the funding priorities for this competition. The National Director (or his/her designee) reserves the right to conduct one or more site visits (subject to the availability of funding), in order to make a better assessment of an applicant’s capability to achieve the funding priorities; or

(b) The availability of MBDA funding.

Prior to making a final recommendation to the Grants Officer, MBDA may request that the apparent winner of the competition provide written clarifications (as necessary) regarding its application.

Intergovernmental Review: Applications under this program are not subject to Executive Order 12372, “Intergovernmental Review of Federal Programs.”

Limitation of Liability: In no event will MBDA or the Department of Commerce be responsible for proposal preparation costs if this program fails to receive funding or is cancelled because of other MBDA or Department of Commerce priorities. All funding periods are subject to the availability of funds to support the continuation of the project and the Department of Commerce and MBDA priorities. Publication of this notice does not obligate the Department of Commerce or MBDA to award any specific cooperative agreement or to obligate all or any part of available funds.

Universal Identifier: Applicants should be aware that they will be required to provide a Dun and Bradstreet Data Universal Numbering system (DUNS) number during the application process. See the June 27, 2003 Federal Register notice (68 FR 38402) for additional information. Organizations can receive a DUNS number at no cost by calling the dedicated toll-free DUNS Number request line at 1–866–705–5711 or by accessing the Grants.gov Web site at http://www.Grants.gov.

Department of Commerce Pre-Award Notification Requirements for Grants and Cooperative Agreements: The Department of Commerce Pre-Award Notification Requirements for Grants and Cooperative Agreements contained in the Federal Register notice of December 30, 2004 (69 FR 78399) are applicable to this solicitation.

Paperwork Reduction Act: This document contains collection-of-information requirements subject to the Paperwork Reduction Act (PRA). The use of Standard Forms 424, 424A, 424B, SF–LLL, and CD–346 have been approved by OMB under the respective control numbers 0348–0043, 0348–0044, 0348–0040, 0348–0046, and 0605–0001. Notwithstanding any other provisions of law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the Paperwork Reduction Act unless that collection displays a currently valid OMB Control Number.

Executive Order 12866: This notice has been determined to be not significant for purposes of E.O. 12866.

Administrative Procedure Act/Regulatory Flexibility Act: Prior notice and an opportunity for public comment are not required by the Administrative Procedure Act for rules concerning public property, loans, grants, benefits, or contracts (5 U.S.C. 533(a)(2)). Because notice and opportunity for comment are not required pursuant to 5 U.S.C. 533 or any other law, the analytical requirements of the Regulatory Flexibility Act (5 U.S.C. 601 et seq.) are inapplicable. Therefore, a regulatory flexibility analysis is not required and has not been prepared.
