Absolute Priority: For FY 2008 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

Establish or expand counseling programs in elementary schools, secondary schools, or both.

Elementary school means a day or residential school that provides

elementary education, as determined under State law.

Program Authority: 20 U.S.C. 7245.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 75, 77, 79, 80, 81, 82, 84, 85, 97, 98, 99, and 299. II. Award Information

Estimated Available Funds: The Administration's budget request for FY 2008 does not include funds for this program. However, we are inviting applications to allow enough time to complete the grant process before the end of the current fiscal year, if Congress appropriates funds for this program. Contingent upon the availability of funds and the quality of applications, we may make additional awards later in FY 2008 and in FY 2009 from the list of unfunded applicants from this competition.

\$250,000–\$400,000.

Estimated Average Size of Awards:
\$350,000.

Under this notice applicants may propose projects that establish or expand counseling programs in elementary schools, secondary schools, or both.

Note: We will use the highest grade an applicant proposes to serve under its grant to determine if the application will be considered for funding from amounts available for elementary school counseling programs only or from amounts available for elementary or secondary school counseling

programs (or both), along with the applicant State's law that defines what grade levels constitute an elementary school in the State.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 36 months.

III. Eligibility Information

1. *Eligible Applicants:* (a) LEAs, including charter schools that are considered LEAs under State law.
