Currency Conversion

In accordance with sections 773A(a) of the Act, we made currency conversions based on the official exchange rates in effect on the dates of the U.S. sales as certified by the Federal Reserve Bank of New York. *See also* 19 CFR 351.415.

Preliminary Results of New Shipper Review

As a result of our review, we preliminarily determine that the following percentage margin exists for C&A for the period July 1, 2006, through December 31, 2006:

| Manufacturer/Exporter | Margin |
|----------------------------------|--------|
| C & A Products Co., Ltd. | 0.00 % |

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of the new shipper review, as provided by section 751(a)(2)(C) of the Act: 1) the cash deposit rate for C&A (*i.e.*, for subject merchandise both manufactured and exported by C&A) will be that established in the final results of this review, except if the rate is less than 0.50 percent, and therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; 2) for previously reviewed or investigated companies not participating in this review, the cash deposit rate will continue to be the company-specific rate published for the most recent period; 3) if the exporter is not a firm covered in these reviews or the original less-than-fair-value (LTFV) investigation, but the manufacturer is,

the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and 4) the cash deposit rate for all other manufacturers or exporters will continue to be the all-others rate established in the LTFV investigation. These requirements, when imposed, shall remain in effect until further notice.

Assessment Rate

Upon completion of the new shipper review, the Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries, in accordance with 19 CFR 351.212. The Department intends to issue assessment instructions for C&A directly to CBP 15 days after the date of publication of the final results of this new shipper review.

Pursuant to 19 CFR 351.212(b)(1), we will calculate an importer-specific assessment rate on the basis of the ratio of the total amount of antidumping duties calculated for the examined sales and the total entered value of the examined sales. We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review if the importer-specific assessment rate calculated in the final results of this review is above *de minimis* (*i.e.*, at or above 0.50 percent). Pursuant to 19 CFR 351.106(c)(2), we will instruct CBP to liquidate without regard to antidumping duties any entries for which the assessment rate is zero or *de minimis* (*i.e.*, less than 0.50 percent). *See* 19 CFR 351.106(c)(1).

The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review.

Disclosure and Public Hearing

The Department will disclose to parties the calculations performed in connection with these preliminary results within five days of the date of publication of this notice. *See* 19 CFR 351.224(b). Pursuant to 19 CFR 351.309, interested parties may submit cases briefs not later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than 5 days after the deadline for filing the case briefs. Parties who submit case briefs or rebuttal briefs in this proceeding are requested to submit with each argument: 1) a statement of the issue; 2) a brief summary of the argument; and 3) a table of authorities.

Interested parties who wish to request a hearing or to participate if one is requested must submit a written request to the Assistant Secretary for Import

Administration, Room B-099, within 30 days of the date of publication of this notice. Requests should contain: 1) the party's name, address and telephone number; 2) the number of participants; and 3) a list of issues to be discussed. *See* 19 CFR 351.310(c). Issues raised in the hearing will be limited to those raised in the case and rebuttal briefs.

The Department will issue the final results of this review, including the results of its analysis of issues raised in any written briefs, within 90 days of publication of these preliminary results, unless the final results are extended. *See* section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This new shipper review is issued and published in accordance with sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act, as well as 19 CFR 351.214(i).

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is partially rescinding its administrative review of the antidumping duty order on carbon and certain alloy steel wire rod from Canada for the period October 1, 2006, to September 30, 2007, with respect to Mittal Canada Inc. (formerly Ispat Sidbec Inc.). This rescission, in part, is based on the timely withdrawal of the request for review.

DATES: December 27, 2007.

FOR FURTHER INFORMATION CONTACT: David Cordell or Robert James, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Room 7866, Washington, DC 20230; telephone: (202) 482-0408 and (202) 482-0649, respectively.

Background

On October 29, 2002, the Department published in the **Federal Register** an antidumping duty order on carbon and certain alloy steel wire rod (steel wire rod) from Canada. See *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Carbon and Certain Alloy Steel Wire Rod from Canada*, 67 FR 65944 (October 29, 2002) (*Order*).

On October 1, 2007, the Department issued a notice of opportunity to request an administrative review of this order for the October 1, 2006 through September 30, 2007 period of review. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 72 FR 55741 (October 1, 2007). Administrative reviews were requested for Ivaco Rolling Mills 2004 (formerly Ivaco Rolling Mills L.P.), Sivaco Ontario, a division of Sivaco Wire Group 2004 L.P. (formerly Ivaco, Inc.), and Mittal Canada Inc. (formerly Ispat Sidbec Inc.). On November 26, 2007, the Department initiated a review of these companies. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 72 FR 65938 (November 26, 2007).

Rescission in Part, of Administrative Review

The applicable regulation, 19 CFR 351.213(d)(1), states that if a party that requested an administrative review withdraws the request within 90 days of the publication of the notice of initiation of the requested review, the Secretary will rescind the review in whole or in part. Mittal Canada Inc. (formerly Ispat Sidbec Inc.) made a timely withdrawal of its request for an administrative review within the 90-day deadline. Because no other party requested an administrative review of that company, we are rescinding the review with regard to Mittal Canada Inc. (formerly Ispat Sidbec Inc.).

The Department intends to issue appropriate assessment instructions directly to U.S. Customs and Border Protection (CBP) 15 days after the publication of this notice. The Department will direct CBP to assess

antidumping duties for this company at the cash deposit rate in effect on the date of entry for entries during the period October 1, 2006, to September 30, 2007.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under section 351.402(f) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this period of time. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with section 351.305(a)(3) of the Department's regulations. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Dated: December 17, 2007.
