Importer Security Filing and Additional Carrier Requirements; Correction

AGENCY: Customs and Border Protection, Department of Homeland Security.

ACTION: Notice of proposed rulemaking; correction.

SUMMARY: Customs and Border Protection (CBP) published a Notice of Proposed Rulemaking on January 2, 2008, in the *Federal Register*, which proposed new information submission requirements for importers and carriers pertaining to cargo before the cargo is brought to the United States by vessel. That document contained two errors in the "Addresses" section regarding the docket number and the name of the CBP Office. To ensure that the public has the correct information for submitting comments on this proposed rule, this document provides those corrections.

DATES: This correction is effective on January 8, 2008. The comment deadline for the proposed rule published at 73 FR 90 remains March 3, 2008.

FOR FURTHER INFORMATION CONTACT: Richard Di Nucci, Office of Field Operations, (202) 344-2513.

SUPPLEMENTARY INFORMATION: On January 2, 2008, Customs and Border Protection (CBP) requested public comment on the Notice of Proposed Rulemaking for Importer Security Filing and Additional Carrier Requirements, as published in the *Federal Register* on the same date. Since CBP anticipates receiving public comment on that document, it is necessary to ensure that the public has the correct information for submitting comments to

www.regulations.gov. This document corrects the two errors in the "Addresses" section of that document, as follows.

1. In the *Federal Register* of January 2, 2008, in FR Doc. E7-25306, on page 90, beginning in the first column, first bullet point of the "Addresses" section, please correct this section by removing the following language in the final line, "Dept: [INSERT DOCKET NUMBER]." and adding, in its place, the applicable docket number, to read:

- *Federal eRulemaking Portal:* *http://www.regulations.gov*. Follow the instructions for submitting comments via docket number USCBP-2007-0077.

2. In the *Federal Register* of January 2, 2008, in FR Doc. E7-25306, on page 90, beginning in the second column, first line, second bullet point of the ADDRESSES section, please correct this section by removing the words, "Office of Trade" and adding, in its place, "Office of International Trade", to read:

- *Mail:* Border Security Regulations Branch, Office of International Trade, U.S. Customs and Border Protection, 1300 Pennsylvania Avenue, NW. (Mint Annex), Washington, DC 20229.

Dated: January 2, 2008.

SUPPLEMENTARY INFORMATION: On October 22, 2007, we published a notice in the **Federal Register** (72 FR 59494) announcing our intent to establish one or two negotiated rulemaking committees to prepare proposed regulations under Title IV of the HEA. In the notice, we also announced three hearings where interested parties could suggest issues for consideration by the negotiating committees. We also invited parties to submit issues for consideration in writing. Finally, we requested nominations for individual negotiators, who represent key stakeholder constituencies that are involved in the Federal student aid programs, to serve on these committees.

After considering the information we received at the hearings and in writing, we have decided to establish two negotiating committees that will begin meeting in January 2008. The first committee will develop proposed regulations for the TEACH Grant program. The TEACH Grant regulations will be in a new Part 686 in Title 34 of the Code of Federal Regulations. The second committee will develop proposed regulations for the Federal student loan programs.

In selecting individuals from the submitted nominations, the Department has tried to assemble a balanced and complementary representation of the interests affected by the subject matter, consistent with section 492 of the HEA.

We believe the individuals selected will bring valuable knowledge and expertise to the table, and will work as a cohesive unit to assist us in developing proposed regulations that are both reasonable and effective. Individuals that were not selected as members of the committees will be able to attend the meetings and have access to the negotiators. The committee meetings will be open to the public.

Participation in the rulemaking process is not limited to members of the committees or those who work with the committees. Following the negotiated rulemaking process, we will publish for public comment proposed regulations in the **Federal Register**. We anticipate that proposed regulations developed by the TEACH Grant committee will be published in April 2008. We anticipate that proposed regulations developed by the Student Loan committee will be published in June 2008.
