

“(16) If the offense involved fraud or theft involving any benefit authorized, transported, transmitted, transferred, disbursed, or paid in connection with a declaration of a major disaster or an emergency, increase by 2 levels.”.

The Commentary to § 2B1.1 captioned “Application Notes” is amended in Note 3 by inserting after the paragraph that begins “(III) Offenses Under 18 U.S.C. 1030.—” the following:

“(IV) *Disaster Fraud Cases*.—In a case in which subsection (b)(16) applies, reasonably foreseeable pecuniary harm includes the administrative costs to any federal, state, or local government entity or any commercial or not-for-profit entity of recovering the benefit from any recipient thereof who obtained the benefit through fraud or was otherwise ineligible for the benefit that were reasonably foreseeable.”.

The Commentary to § 2B1.1 captioned “Application Notes” is amended by redesignating Notes 15 through 19 as Notes 16 through 20, respectively; and by inserting after Note 14 the following:

“15. Application of Subsection (b)(16).—

(A) Definitions.—For purposes of this subsection:

‘Emergency’ has the meaning given that term in 42 U.S.C. 5122.”.

‘Major disaster’ has the meaning given that term in 42 U.S.C. 5122.

The Commentary to § 2B1.1 captioned “Background” is amended by adding at the end the following:

“Subsection (b)(16) implements the directive in section 5 of Public Law 110–179.”.

Appendix A (Statutory Index) is amended by inserting after the line reference to 18 U.S.C. 1039 the following:

“18 U.S.C. 1040 2B1.1”.

Reason for Amendment: This amendment implements the emergency directive in section 5 of the Emergency and Disaster Assistance Fraud Penalty Enhancement Act of 2007, Public Law 110–179. The directive, which requires the Commission to promulgate an amendment under emergency amendment authority by February 6, 2008, directs that the Commission forthwith shall—promulgate sentencing guidelines or amend existing sentencing guidelines to provide for increased penalties for persons convicted of fraud or theft offenses in connection with a major disaster declaration under section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170) or an emergency declaration under section 501 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5191) * * *.

Section 5(b) of the Act further requires the Commission to—

(1) Ensure that the sentencing guidelines and policy statements reflect the serious nature of the offenses described in subsection (a) and the need for aggressive and appropriate law enforcement action to prevent such offenses;

(2) Assure reasonable consistency with other relevant directives and with other guidelines;

(3) Account for any aggravating or mitigating circumstances that might justify exceptions, including circumstances for which the sentencing guidelines currently provide sentencing enhancements;

(4) Make any necessary conforming changes to the sentencing guidelines; and

(5) Assure that the guidelines adequately meet the purposes of sentencing as set forth in section 3553(a)(2) of title 18, United States Code.

The amendment addresses the directive by creating a two-level enhancement that applies if the offense involved fraud or theft in connection with a declaration of a major disaster or emergency, as those terms are defined in 42 U.S.C. § 5122. In addition, the amendment modifies Application Note 3 to provide that for purposes of determining loss under subsection (b)(1), reasonably foreseeable pecuniary harm includes certain administrative costs in such cases.

Abstract of proposed collection:

Since 2002, MEPI has obligated more than \$430 million to over 250 organizations, who carry out more than 370 projects in support of political, economic, education and women's rights reform in 20 countries of the

Middle East and North Africa. As a normal course of business and in compliance with OMB Guidelines contained in Circular A-110, recipient organizations are required to provide, and the U.S. State Department required to collect, periodic program and financial performance reports. The responsibility of the State Department to track and monitor the programmatic and financial performance necessitates a database that can help facilitate this in a consistent and standardized manner. The MEPI Performance Reporting System (PRS) enables enhanced monitoring and evaluation of grants through standardized collection and storage of relevant award elements, such as quarterly progress reports, workplans, results monitoring plans, grant agreements, financial reports, and other business information related to MEPI implementers. The PRS streamlines communication with implementers and allows for rapid identification of information gaps for specific projects.

Methodology:

Information will be entered into PRS electronically by respondents. Non-respondents will submit their quarterly reports on paper.

Additional Information:

Dated: December 20, 2007.

Acting Deputy Director, Bureau of Near Eastern Affairs, NEA/PI, Department of State.
