Officials from the City of Portland and the Mount Hood National Forest prepared this new Agreement between the City and the Forest Service to identify preferred administrative arrangements for their joint management of the Bull Run Watershed Management Unit. The purpose and hope of the Agreement is to document a new and more relevant relationship between the City and the Forest Service for the long-term stewardship of the Bull Run Watershed Management Unit that is built on a firm foundation of citizen involvement.

The final Agreement was approved on December 17, 2007. In completing the Agreement, the Forest and the City responded to comments received during the comment period and also jointly prepared a Report to the Community. This Report discussed the history and background of discussions that led to the new agreement. This Report is also available on both of the Web sites listed above. The Agency officials are Gary Larsen, Forest Supervisor, Mt. Hood National Forest for the Forest Service, and the City official is Randy Leonard, Commissioner-in-Charge, City of Portland Water Bureau for the City of Portland.

accordance with the Federal Advisory  
Committee Act (Title 5, United States  
Code, Appendix 2) in 1995. The  
following provides information about  
the Committee, membership, and the  
nomination process.

#### Objectives and Duties

1. The Committee provides an  
organized and continuing channel of  
communication between Hispanic  
communities and the Census Bureau.  
Committee members identify useful  
strategies to reduce the differential  
undercount for the Hispanic population,  
and on ways data can be disseminated  
for maximum usefulness to the Hispanic  
population.

2. The Committee draws upon prior  
decennial planning efforts, research  
studies, test censuses, and other  
experiences to provide advice and  
recommendations for the 2010  
Decennial Census Program.

3. The Committee functions solely as  
an advisory body under the Federal  
Advisory Committee Act.

4. The Committee reports to the  
Director of the Census Bureau.

#### Membership

1. Members are appointed by and

three years.

2. Members will be reevaluated at the

the prospect of renewal, pending  
meeting attendance, administrative  
compliance, advisory committee needs,  
and the Secretary's concurrence.  
Committee members are selected in  
accordance with applicable Department

Committee aims to have a balanced  
representation, considering such factors

expertise, community involvement, and  
knowledge of census procedures and  
activities. The Committee aims to  
include members from diverse  
backgrounds, including state and local  
governments, academia, media,  
research, community-based  
organizations, and the private sector. No

reimbursement for Committee-related  
travel and lodging expenses.

2. The Committee meets at least once  
a year, budget permitting, but additional  
meetings may be held, as deemed  
necessary, by the Census Bureau  
Director or Designated Federal Official.  
All Committee meetings are open to the  
public in accordance with the Federal  
Advisory Committee Act.

#### Nomination Information

1. Nominations are requested as  
described above.

2. Nominees should have expertise  
and knowledge of the cultural patterns,  
issues, and/or data needs of the  
Hispanic community. Such knowledge  
and expertise are needed to provide  
advice and recommendations to the  
Census Bureau on how best to  
enumerate the Hispanic population and  
obtain complete and accurate data on  
this population. Individuals, groups, or

on behalf of a potential candidate. A
