Alpha Domestic Power Trading, LLC; Notice of Issuance of Order

January 16, 2008.

Alpha Domestic Power Trading, LLC (Alpha Domestic) filed an application for market-based rate authority, with accompanying tariff. The proposed market-based rate tariff provides for the sale of energy and capacity at market-based rates. Alpha Domestic also requested waivers of various Commission regulations. On January 16, 2008, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—West, granted the requests for blanket approval under Part 34 (Director's Order). Absent a request to be heard in opposition to such blanket approvals by the deadline above, Alpha Domestic is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Alpha Domestic, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approvals of Alpha Domestic's issuance of securities or assumptions of liability.
