OMB Control Number: 2502-0485.

Description of the need for the information and proposed use:

Completion of the Annual Report by grantees provides HUD with essential information about who the grant is serving and what sort of services the individuals receive through the use of grant funds. The Summary Budget is a matrix of budgeted yearly costs, which shows the services funded through the grant and demonstrates how matching funds, participant fees, and grant funds will be used in tandem to operate the grant program. The Annual Program budget is an optional format which allows grantees to break down expenses for each service, including direct labor, fringe benefits, supplies and materials, and other administrative costs. Field staff approve these annual budgets and request annual extension funds according to the budgets. Field staff can also determine if grantees are meeting statutory and regulatory requirements through the evaluation of these budget forms. HUD will use the Payment Voucher to monitor use of grant funds for eligible activities over the term of the grant. The Grantee may similarly use the Payment Voucher to track and record their requests for payment reimbursement for grant-funded activities.
