**FOR FURTHER INFORMATION CONTACT:** Eugene Degnan, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-0414.

#### SUPPLEMENTARY INFORMATION:

##### Background

On July 26, 2007, the Department initiated a new shipper review of New-Tec Integration (Xiamen) Co., Ltd. ("New-Tec") covering the period December 1, 2006, through May 31, 2007. See *Hand Trucks and Certain Parts Thereof From the People's Republic of China: Initiation of Antidumping Duty New Shipper Review*, 72 FR 42392 (August 2, 2007). The preliminary results of this new shipper review are currently due no later than January 22, 2008.

##### Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the "Act"), provides that the Department will issue the preliminary results of a new shipper review of an antidumping duty order within 180 days after the day on which the review was initiated. See also 19

CFR 351.214 (i)(1). The Act further provides that the Department may extend that 180-day period to 300 days if it determines that the case is extraordinarily complicated. See 19 CFR 351.214 (i)(2).

#### Extension of Time Limit of Preliminary Results

The Department determines that this new shipper review involves complicated methodological issues, the examination of importer information and the evaluation of the *bona fide* nature of the company's sale. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2), the Department is extending the time limit for these preliminary results by 90 days, until no later than April 21, 2008. The final results continue to be due 90 days after the publication of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B)(iv) and 777(i) of the Act.

Dated: January 18, 2008.

**Stephen J. Claeys,**

Deputy Assistant Secretary for Import Administration.

#### Postponement of Final Determination of Antidumping Duty Investigation: Sodium Hexametaphosphate From the People's Republic of China

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** January 29, 2008.

**FOR FURTHER INFORMATION CONTACT:** Erin Begnal or Scot Fullerton, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-1442 or (202) 482-1386, respectively.

#### Postponement of Final Determination

On February 28, 2007, the Department of Commerce ("Department") initiated the antidumping duty investigation of sodium hexametaphosphate from the People's Republic of China. See *Initiation of Antidumping Duty Investigation: Sodium Hexametaphosphate From the People's Republic of China*, 72 FR 9926 (March

6, 2007) ("*Initiation Notice*"); see also *Notice of Correction of Initiation of Antidumping Duty Investigation: Sodium Hexametaphosphate from the People's Republic of China*, 72 FR 11325 (March 13, 2007). On September 14, 2007, the Department published the *Preliminary Determination* in the antidumping duty investigation of sodium hexametaphosphate ("SHMP") from the People's Republic of China. See *Preliminary Determination of Sales at Less Than Fair Value: Sodium Hexametaphosphate from the People's Republic of China*, 72 FR 52544 (September 14, 2007) ("*Preliminary Determination*").

Section 735(a)(2) of the Tariff Act of 1930 ("the Act") provides that a final determination may be postponed until not later than 135 days after the date of the publication of the preliminary determination if, in the event of an affirmative determination, a request for such postponement is made by exporters who account for a significant proportion of exports of the subject merchandise, or in the event of a negative preliminary determination, a request for such postponement is made by petitioner. In addition, the Department's regulations, at 19 CFR 351.210(e)(2), require that requests by respondents for postponement of a final determination be accompanied by a request for extension of provisional measures from a four-month period to not more than six months. See 19 CFR 351.210(e)(2).

On September 11, 2007, Hubei Xingfa Chemicals Group Co., Ltd., requested a 60-day extension of the final determination (*i.e.*, 135 days after the publication of the preliminary determination) and extension of the provisional measures. On September 28, 2007, the Department published a 60-day postponement of the final determination of the investigation of SHMP from the PRC, based on the unextended final determination date of November 20, 2007. See *Postponement of Final Determination of Antidumping Duty Investigation: Sodium Hexametaphosphate from the People's Republic of China*, 72 FR 55176 (September 28, 2007). The Department intended to fully postpone the final determination by 135 days, pursuant to section 735(a) of the Act and 19 CFR 351.210(b)(2), but it inadvertently calculated the postponement based on the signature date of the preliminary determination, as opposed to the publication date. With this notice, we intend to fully postpone the final determination based upon the publication date of the preliminary determination.
