

Register. We will instruct CBP to require a cash deposit or the posting of a bond equal to the weighted-average amount by which the normal value exceeds U.S. price, as indicated above. For Aifudi, and the companies receiving a separate rate, we will direct CBP to suspend liquidation of any entries of laminated woven sacks from the PRC as described in the "Scope of Investigation" section, that are entered, or withdrawn from warehouse, for consumption on or after 90 days prior to the date of publication in the **Federal Register** of our preliminary determination. The suspension of liquidation will remain in effect until further notice.

International Trade Commission Notification

In accordance with section 733(f) of the Act, we have notified the ITC of our preliminary affirmative determination of sales at less than fair value. Section 735(b)(2) of the Act requires the ITC to make its final determination as to whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports of laminated woven sacks, or sales (or the likelihood of sales) for importation, of the subject merchandise within 45 days of our final determination.

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Import Administration no later than seven days after the date the final verification report is issued in this proceeding and rebuttal briefs limited to issues raised in case briefs no later than five days after the deadline date for case briefs. A list of authorities used and an executive summary of issues should accompany any briefs submitted to the Department. This summary should be limited to five pages total, including footnotes. Parties are also requested to submit an electronic version of their case and rebuttal briefs.

In accordance with section 774 of the Act, and if requested, we will hold a public hearing, to afford interested parties an opportunity to comment on arguments raised in case or rebuttal briefs. If a request for a hearing is made, we intend to hold the hearing three days after the deadline of submission of rebuttal briefs at the U.S. Department of Commerce, 14th Street and Constitution Ave., NW., Washington, DC 20230, at a time and location to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Import Administration, U.S. Department of Commerce, Room 1870, within 30 days after the date of publication of this notice. See 19 CFR 351.310(c). Requests should contain the party's name, address, and telephone number, the number of participants, and a list of the issues to be discussed. At the hearing, each party may make an affirmative presentation only on issues raised in that party's case brief and may make rebuttal presentations only on arguments included in that party's rebuttal brief.

Postponement of Final Determination and Extension of Provisional Measures

Pursuant to section 735(a)(2) of the Act, on January 11, 2008, Aifudi requested that in the event of an affirmative preliminary determination in this investigation, the Department postpone its final determination by 60 days. At the same time, Aifudi requested that the Department extend the application of the provisional measures prescribed under 19 CFR 351.210(e)(2) from a four month period to a six month period. In accordance with section 733(d) of the Act and 19 CFR 351.210(b), because (1) our preliminary determination is affirmative, (2) the requesting exporter accounts for a significant proportion of exports of the subject merchandise, and (3) no compelling reasons for denial exist, we are granting the request and are postponing the final determination until no later than 135 days after the publication of this notice in the **Federal Register**. Suspension of liquidation will be extended accordingly.

This determination is issued and published in accordance with sections 733(f) and 777(i)(1) of the Act.

Dated: January 24, 2008.

David M. Spooner,

Assistant Secretary for Import Administration.
