

III. Discontinuance of Mailing of Call Report Forms and Instructions

The banking agencies requested comment on their plan to discontinue the mailing of Call Report forms and instructions for the FFIEC 031 and FFIEC 041. The agencies' current practice is to mail sample forms to banks only in those quarters when significant revisions are made to the report forms. Updates to the Call Report instruction book have been printed and mailed to banks in those quarters when such updates have been issued.

The Call Report forms and their instructions are available on the FFIEC's Web site (http://www.ffiec.gov/ffiec_report_forms.htm) and the FDIC's Web site (<http://www.fdic.gov/regulations/resources/call/index.html>) each quarter before any mailings of the paper forms and instructions are completed. A paper copy of the report forms and instructions can be printed from the Web sites. In addition, banks that use Call Report software generally can print paper copies of blank forms from their software.

No comments were received on this issue. The agencies will discontinue mailing paper Call Report forms and instructions in 2008, while retaining their practice of making these materials available to banks electronically.

IV. Other Matters

On February 14, 2007, the OCC, the Board, the FDIC, and the OTS requested comment on a proposed regulatory capital schedule for collecting Basel IA risk-based capital data in the Call Report and the TFR (72 FR 7115). No comments were received on this proposal. On July 20, 2007, the four agencies announced an agreement to issue a proposal to adopt a standardized approach under the Basel II Accord that would replace the Basel IA proposal. As a consequence, the agencies are withdrawing their Basel IA regulatory capital reporting proposal. A regulatory capital reporting proposal for the standardized approach will be issued for comment at a later date.

V. Paperwork Reduction Act Request for Comment

Public comment is requested on all aspects of this joint notice. Comments are invited on:

(a) Whether the proposed revisions to the Call Report and TFR collections of information are necessary for the proper performance of the agencies' functions, including whether the information has practical utility;

(b) The accuracy of the agencies' estimates of the burden of the

information collections as they are proposed to be revised, including the validity of the methodology and assumptions used;

(d) Ways to minimize the burden of information collections on respondents, including through the use of automated collection techniques or other forms of information technology; and

FEDERAL RESERVE SYSTEM

Proposed Agency Information Collection Activities; Comment Request

AGENCY: Board of Governors of the Federal Reserve System

SUMMARY: Background.

inventory of currently approved collections of information. Copies of the Paperwork Reduction Act Submission, supporting statements and approved collection of information instruments are placed into OMB's public docket files. The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

Proposal to approve under OMB delegated authority the extension for three years, with revision, of the following reports:

1. *Report titles:* Application for Prior Approval to Become a Bank Holding Company or for a Bank Holding Company to Acquire an Additional Bank or Bank Holding Company; Notification for Prior Approval to Become a Bank Holding Company or for a Bank Holding Company to Acquire an Additional Bank or Bank Holding Company; and Notification for Prior Approval to Engage Directly or Indirectly in Certain Nonbanking Activities

Agency form numbers: FR Y-3, FR Y-3N, and FR Y-4

OMB control number: 7100-0121

Frequency: Event generated
Reporters: Corporations seeking to become bank holding companies (BHCs), or BHCs and state chartered banks that are members of the Federal Reserve System.

Annual reporting hours: 22,920

Estimated average hours per response: FR Y-3 Section 3(a)(1): 49; FR Y-3 Section 3(a)(3) and 3(a)(5): 59.5; FR Y-3N Section 3(a)(1), 3(a)(3), and 3(a)(5): 5; FR Y-4 Complete notification: 12; FR Y-4 Expedited notification: 5; and FR Y-4 Post-consumation: 30 minutes

Number of respondents: 674

General description of report: This information collection is mandatory (12 U.S.C. 1842(a), 1844(b), and 1843(j)(1)(b)). The forms are designed so that all information contained in a filing is available to the public unless the applicant, notificant, or individual(s) can substantiate that an exemption under the Freedom of Information Act (FOIA) is satisfied.

Abstract: The Federal Reserve requires the submission of these filings for regulatory and supervisory purposes and to allow the Federal Reserve to fulfill its statutory obligations under the Bank Holding Company Act of 1956. These filings collect information on proposals by bank holding companies involving formations, acquisitions, mergers, and nonbanking activities. The Federal Reserve must obtain this information to evaluate each individual transaction with respect to financial and managerial factors, permissibility, competitive effects, net public benefits, and the impact on the convenience and needs of affected communities.

Current Actions: The proposed revisions reflect changes to the Federal Reserve's Small Bank Holding Company Policy Statement and the Federal Reserve's risk-based and leverage capital guidelines that were announced in February 2006. The proposed revisions also reflect recent changes in the type of information that the Federal Reserve requires from filers for purposes of determining whether information submitted in a filing may be provided to the public under the FOIA. Each proposed revision is intended to make initial filings more reflective of the specifically proposed transaction and thereby reduce the need for subsequent information requests, which delay the Federal Reserve's consideration of a filing and create additional burden for filers. In addition, the instructions have been reformatted to clarify the possible filings, clarify the legal and financial requirements for different types of filings, and provide additional practical guidance to assist a filer in understanding the information and

processing requirements for particular types of proposals.

2. *Report title:* International Applications and Prior Notifications under Subparts A and C of Regulation K

Agency form number: FR K-1

OMB control number: 7100-0107

Frequency: Event generated

Reporters: State member banks, Edge and agreement corporations, bank holding companies, and certain foreign banking organizations.

Annual reporting hours: 889

Estimated average hours per response: Attachments A and B, 11.5 hours; Attachments C through G, 10 hours; Attachments H and I, 15.5 hours; Attachment J, 10 hours; Attachment K, 20 hours

Number of respondents: 29

General description of report: This information collection is mandatory (12 U.S.C. 601-604(a) and 611-631) and (12 U.S.C. 1843(c)(13), 1843(c)(14) and 1844(c)). The applying organization has the opportunity to request confidentiality for information that it believes will qualify for an FOIA exemption.

Abstract: Subpart A of Regulation K governs the foreign investments and activities of member banks, Edge and agreement corporations, bank holding companies, and certain investments by foreign organizations. Subpart C of Regulation K governs investments in export trading companies. The FR K-1 information collection contains eleven attachments for the application and notification requirements embodied in Subparts A and C of Regulation K. The Federal Reserve requires these applications for regulatory and supervisory purposes and to allow the Federal Reserve to fulfill its statutory obligations under the Federal Reserve Act and the Bank Holding Company Act of 1956.

Current Actions: The Federal Reserve proposes to replace the existing confidentiality paragraph in the General Information and Instructions. In addition, respondents would be required to make a certification regarding information contained in the application.

3. *Report titles:* Consumer Satisfaction Questionnaire; Federal Reserve Consumer Help Center Survey; and Federal Reserve Consumer Help Online Complaint Form

Agency form numbers: FR 1379a, FR 1379b, and FR 1379c

OMB control number: 7100-0135

Frequency: Event generated

Reporters: Consumers

Annual reporting hours: 2,037

Estimated average hours per response: FR 1379a: 5 minutes; FR 1379b: 5 minutes; FR 1379c: 10 minutes.

Number of respondents: FR 1379a: 2,640; FR 1379b: 1,800; FR 1379c: 10,000.

General description of report: This information collection is voluntary and authorized by law (15 U.S.C. 57(a)(f)(1)). While the individual respondent's information is confidential, once such information has been aggregated, the aggregated information is not considered confidential. The information may be aggregated with responses from other respondents and released in statistical format while maintaining the privacy of the individual respondents. If a respondent provides information not specifically solicited on the form, that information may be exempt from disclosure under FOIA (5 U.S.C. § 552 (b)(4), (b)(6), or (b)(7)) upon specific request from the respondent.

Abstract: The FR 1379 questionnaires are sent to consumers who have filed complaints with the Federal Reserve against state member banks. The information gathered on the questionnaires is used to determine whether consumers are satisfied with the way the Federal Reserve Bank handled their complaints and to solicit suggestions for improving the complaint investigation process.

Current Actions: The Federal Reserve proposes to revise the FR 1379 information collection by: (1) renumbering the current FR 1379 to FR 1379a and reducing the number of questions from twenty-five to six, (2) implementing a new voluntary questionnaire, the Federal Reserve Consumer Help Center Survey (FR 1379b) to survey consumers about the Federal Reserve Consumer Help (FRCH) center, the Federal Reserve System's new central intake center for consumer complaints and inquiries, and (3) implementing a new voluntary consumer complaint form, the Federal Reserve Consumer Help Online Complaint Form (FR 1379c) to the FRCH web site¹ that would allow consumers to submit their complaint or inquiry to the FRCH center electronically. The proposed changes would be effective second quarter 2008.

Board of Governors of the Federal Reserve System, January 30, 2008.

Secretary of the Board.
