As part of this mission, EDA administers the Trade Adjustment Assistance for Firms (TAAF) Program under the Trade Act of 1974, as amended, through a national network of eleven Trade Adjustment Assistance Centers (each, a TAAC) to provide technical assistance to firms that have lost domestic sales and employment due to increased imports of similar or competitive goods. This program announcement applies only to the current eleven EDA-funded TAACs, and provides information necessary to clarify the requirements for operating and providing technical assistance to trade-impacted firms as a TAAC under a cooperative agreement with EDA for fiscal years 2008-2010. This notice does not solicit new applications for TAAC operators.

EDA will amend currently active cooperative agreements as necessary to ensure that each TAAC that wishes to apply will have at least 30 days to complete the application requirements set out in this program announcement. EDA's TAAF Program Officer will hold a teleconference during the week of February 11, 2008 for all current TAACs to address questions about this program

announcement. The exact date, time, registration requirements, and protocols for the call will be announced to all participants in advance of the teleconference.

ADDRESSES: Applications for federal financial assistance may be submitted in either paper format or electronic format, in accordance with the procedures provided in this program announcement.
