Interested persons may present data, information, or views, orally or in writing, on issues pending before the committee. Written submissions may be made to the contact person on or before February 19, 2008. Oral presentations from the public will be scheduled between approximately 10 a.m. and 10:30 a.m., and between 3:15 p.m. and 3:45 p.m. on March 4, 2008, and between approximately 9:10 a.m. and 9:40 a.m., and between 2:15 p.m. and 2:45 p.m. on March 5, 2008. Those desiring to make formal oral presentations should notify the contact person and submit a brief statement of the general nature of the evidence or arguments they wish to present, the names and addresses of proposed participants, and an indication of the approximate time requested to make their presentation on or before February 11, 2008. Time allotted for each presentation may be limited. If the number of registrants requesting to speak is greater than can be reasonably accommodated during the scheduled open public hearing session, FDA may conduct a lottery to determine the speakers for the scheduled open public hearing session. The contact person will notify interested persons regarding their request to speak by February 12, 2008.

Closed Presentation of Data: On March 5, 2008, from 8 a.m. to 8:30 a.m., the meeting will be closed so that the committee may receive an update from FDA about devices under evaluation that may be brought before the committee in the near future. This portion of the meeting will be closed because it involves the discussion and review of trade secret and/or confidential information (5 U.S.C. 552b(c)(4)).
