Agency Forms Undergoing Paperwork Reduction Act Review

The Centers for Disease Control and Prevention (CDC) publishes a list of information collection requests under review by the Office of Management and Budget (OMB) in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these requests, call the CDC Reports Clearance Officer at (404) 639-5960 or send an email to *omb@cdc.gov*. Send written comments to CDC Desk Officer, Office of Management and Budget, Washington, DC or by fax to (202) 395-6974. Written comments should be received within 30 days of this notice.

Proposed Project

Report of Verified Case of Tuberculosis (RVCT), (OMB No. 0920-0026)—Revision—National Center for HIV/AIDS, Viral Hepatitis, STD, and TB Prevention (NCHHSTP), Centers for Disease Control and Prevention (CDC).

Background and Brief Description

In the United States, an estimated 10 to 15 million people are infected with *Mycobacterium tuberculosis* and about 10% of these persons will develop tuberculosis (TB) disease at some point in their lives. TB is a reportable disease in every state. National TB surveillance has been conducted and maintained by the U.S. Public Health Service and CDC through the cooperation of the states since 1953.

Data are collected by 60 reporting areas (the 50 states, the District of Columbia, New York City, Puerto Rico, and 7 jurisdictions in the Pacific and Caribbean). CDC's Division of Tuberculosis Elimination (DTBE) has revised the Report of Verified Case of Tuberculosis (RVCT) data collection instrument, which has been in use since 1993. The increase in burden hours is due to the addition of information on new clinical diagnostic tests and factors

to identify high-risk patients. The revision captures changes in the diagnosis and treatment of TB, and improves the monitoring of trends in TB epidemiology and outbreaks and support CDC in developing strategies to meet the national goal of TB elimination.

In 2001, DTBE initiated a comprehensive review of the RVCT with stakeholders and partner organizations. This review resulted in the revision of the data collection form in 2007.

The reporting areas use and analyze their RVCT data to monitor local TB trends, evaluate program success, and focus resources to eliminate TB. CDC uses the RVCT data to monitor national trends by demographics, risk, and region. These summaries are published annually in CDC-sponsored publications, journals, and are submitted as Agency reports to the Congress.

CDC is requesting approval for approximately 8050 burden hours, an estimated increase of 490 hours. There is no cost to respondents other than their time. The total estimated annualized burden hours are 8050.

ESTIMATE OF ANNUALIZED BURDEN HOURS

Types of respondents	Number of respondents	Number of responses per respondent	Average burden per response (in hours)
Local, state, and territorial health departments	60	230	35/60

Dated: January 30, 2008.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Submission for OMB Review; Comment Request

Title: Descriptive Study of Early Head Start (DSEHS).

OMB No.: New Collection.

Description: The Administration for Children and Families (ACF), U.S. Department of Health and Human Services (HHS), requests clearance to recruit Early Head Start (EHS) programs for participation in the Descriptive

Study of Early Head Start (DSEHS) and to conduct a pilot test of potential measures.

DSEHS is a longitudinal study of a representative sample of programs and children in three age cohorts, which will collect information about programs, families, and services. When completed, data will be collected on a sample of approximately 2,100 children and families from 60 EHS programs. Data will be collected in four waves: Fall 2008, Fall 2009, Fall 2010, and Fall 2011. Children and families will be followed until children are three years old and exit EHS programs.

Data collected under DSEHS will complement information gathered under the Survey of Early Head Start Programs (SEHSP), OMB Control No. 0992-0008. SEHSP gathered information on the management systems, services, and characteristics of children and families served by EHS programs. To complement this information, DSEHS will gather information on the needs and characteristics of children and families enrolled in EHS programs, including an assessment of children's and families' needs, how programs meet the needs of children and families in EHS programs, and how children and families in EHS programs progress over time.

The activity proposed under this notice includes only the data collected during the selection and recruitment of programs to participate in DSEHS and a pilot study on the feasibility of proposed measures.

To select and recruit programs, ACF intends to send letters to program directors of selected EHS programs. Directors will receive a summary of the study goals that will include an overview of the design and data collection, a brochure describing the study, and examples of the consent materials for enrolling study participants. Programs will not be asked to enroll participants during the initial selection and recruitment phase.

Selected programs may also receive a follow-up phone call to answer questions from EHS directors or staff. Program directors will be asked to provide information on the numbers of families enrolled with children who will be within two months of the target ages at the time of each of the four fall data collections.

ACF intends to conduct a feasibility pilot study at two EHS programs in June 2008. In the pilot study, ACF will test the feasibility of administering various direct child assessment measures and parent interviews.

Respondents: EHS Program Directors, parents, and Children.

ANNUAL BURDEN ESTIMATES

Instrument	Annual number of respondents	Number of responses per respondent	Average burden hours per response	Estimated annual burden hours
Recruitment materials sent to program sites	60	1	.25	15
Program roster of children in target ages	60	1	.50	30
Pilot Test—Child Assessment	40	1	1.0	40
Pilot Test—Parent Interview	40	1	1.0	40

Estimated Total Annual Burden Hours: 125.

Additional Information

Copies of the proposed collection may be obtained by writing to the Administration for Children and Families, Office of Administration, Office of Information Services, 370 L'Enfant Promenade, SW., Washington, DC 20447, Attn: ACF Reports Clearance Officer. All requests should be identified by the title of the information collection. E-mail address: infocollection@acf.hhs.gov.

OMB Comment

OMB is required to make a decision concerning the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication. Written comments and recommendations for the proposed

information collection should be sent directly to the following: Office of Management and Budget, Paperwork Reduction Project, FAX: 202-395-6974, Attn: Desk Officer for ACF.

January 29, 2008.

Brendan Kelly,

Reports Clearance Officer.

Proposed Information Collection Activity; Comment Request

Proposed Projects:

Title: Annual Progress Report—University Centers for Excellence in Developmental Disabilities Education, Research, and Service.

OMB No: 0970-0289.

Description: Section 104 (42 USC 15004) of the Developmental Disabilities Assistance and Bill of Rights Act of 2000 (DD Act of 2000) directs the Secretary of Health and Human Services to develop and implement a system of program accountability to monitor the grantees funded under the DD Act of 2000. The program accountability system shall include the National Network of University Centers for Excellence in Developmental Disabilities Education, Research, and Service (UCEDDSs) authorized under Part D of the DD Act of 2000. In addition to the accountability system, Section 154 (e) (42 USC 15064) of the DD Act of 2000 includes requirements for a UCEDD Annual Report.

Respondents: University Centers for Excellence in Developmental Disabilities Education, Research, and Service

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
UCEDD Annual Report Template	67	1	200	13,400
Estimated Total Annual Burden Hours:				13,400
