SUPPLEMENTARY INFORMATION:

Background

Since the publication of the *Preliminary Results*, the following events have occurred. As provided in 782(i) of the Tariff Act of 1930, as amended (the Act), the Department conducted a verification of the questionnaire responses submitted by the Government of India (GOI), Garware, and MTZ from September 11 through September 25, 2007. We used standard verification procedures, including on-site examination of relevant records and original source documents. Our verification results are outlined in the verification memoranda, public versions of which are on file in the Central Records Unit (CRU), room 1117 of the Main Commerce Building. See "Verification of the Questionnaire Responses Submitted by the Government of India (GOI)" (December 7, 2007) (*GOI Verification Report*); "Verification of the Questionnaire Responses Submitted by Garware Polyester, Ltd. (Garware)" (December 7, 2007) (*Garware Verification Report*); and "Verification of the Questionnaire Responses Submitted by MTZ Polyfilms Ltd. (MTZ)" (December 7, 2007) (*MTZ Verification Report*). On December 20, 2007, Dupont Teijin Films, Mitsubishi Polyester Film of America, and Toray Plastics (America), Inc. (collectively, the Petitioners), Garware, and MTZ filed case briefs. Garware, MTZ and Petitioners filed rebuttal briefs on December 28, 2007. Based on a request by MTZ, a public hearing was held on January 10, 2008.

Scope of the Order

For purposes of the order, the products covered are all gauges of raw, pretreated, or primed Polyethylene Terephthalate Film, Sheet and Strip, whether extruded or coextruded. Excluded are metallized films and other finished films that have had at least one of their surfaces modified by the application of a performance-enhancing resinous or inorganic layer of more than 0.00001 inches thick. Imports of PET film are classifiable in the Harmonized Tariff Schedule of the United States (HTSUS) under item number

3920.62.00. HTSUS subheadings are provided for convenience and customs purposes. The written description of the scope of the order is dispositive.

Analysis of Comments Received

Following the release of the verification reports for the GOI, Garware and MTZ, we gave interested parties an opportunity to comment on our *Preliminary Results*. All issues raised in the case and rebuttal briefs by parties to this administrative review are addressed in the *Issues and Decision Memorandum for the 2005 Countervailing Duty Administrative Review of Polyethylene Terephthalate Film, Sheet, and Strip from India*, from Stephen J. Claeys, Deputy Assistant Secretary for Import Administration to David M. Spooner, Assistant Secretary for Import Administration (February 4, 2008) (*Issues and Decision Memorandum*), which is hereby adopted by this notice. The *Issues and Decision Memorandum* also contains a complete analysis of the programs covered by this review and the methodologies used to calculate the subsidy rates. A list of the comments raised in the briefs and addressed in the *Issues and Decision Memorandum* is appended to this notice. The *Issues and Decision Memorandum* is on file in the CRU, and can be accessed directly on the Web at <http://www.trade.gov/ia/>.

Changes Since the Preliminary Results

Based on our verification and analysis of comments received, we have made some adjustments in the methodology that was used in the *Preliminary Results* for calculating Garware's and MTZ's subsidy rates under several programs. All changes are discussed in detail in the *Issues and Decision Memorandum*.

Final Results of Review

In accordance with section 751(a)(1)(A) of the Act and 19 CFR 351.221(b)(5), we calculated individual *ad valorem* subsidy rates for the producers/exporters, Garware and MTZ, the only producers/exporters subject to review for the calendar year 2005, the period of review (POR) for this administrative review.

Manufacturer/Exporter	Net Subsidy Rate
Garware Polyester Ltd.	10.37%
MTZ Polyfilms Ltd.	33.94%

Assessment and Cash Deposit Instructions

The Department intends to issue assessment instructions to U.S. Customs and Border Protection (CBP) 15 days after the date of publication of these

final results of review to liquidate shipments of subject merchandise by Garware and MTZ entered, or withdrawn from warehouse, for consumption on or after January 1, 2005 through December 31, 2005, at 10.37 percent and 33.94 percent, respectively, *ad valorem* of the entered value. We will also instruct CBP to collect cash deposits of estimated countervailing duties, at these rates, on shipments of the subject merchandise by Garware and MTZ entered, or withdrawn from warehouse, for consumption on or after the date of publication of these final results of review. For all non-reviewed companies, the Department has instructed CBP to assess countervailing duties at the cash deposit rates in effect at the time of entry, for entries between January 1, 2005 and December 31, 2005. The cash deposit rates for all companies not covered by this review are not changed by the results of this review.

Return or Destruction of Proprietary Information

This notice serves as a reminder to parties subject to the administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under the APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: February 4, 2008.

David M. Spooner,
Assistant Secretary for Import Administration.

SUPPLEMENTARY INFORMATION:

Postponement of Preliminary Determinations

On October 26, 2007, the Department of Commerce (the Department) initiated the antidumping duty investigations of polyethylene terephthalate film, sheet, and strip (PET Film) from Brazil, the People's Republic of China, Thailand, and the United Arab Emirates. See *Polyethylene Terephthalate Film, Sheet, and Strip (PET Film) from Brazil, the People's Republic of China, Thailand, and the United Arab Emirates: Initiation of Antidumping Duty Investigations*, 72

FR 60801 (October 26, 2007). The notice of initiation stated that the Department would issue its preliminary determinations for these investigations no later than 140 days after the date of issuance of the initiation (i.e., March 6, 2008) in accordance with section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act). Id. at 60806.

On January 23, 2008, DuPont Teijin Films, Mitsubishi Polyester of America, SKC Inc. and Toray Plastics (America), Inc. (collectively, petitioners) made a timely request pursuant to section 733(c)(1) of the Act and 19 CFR 351.205(e) for a postponement of the preliminary determinations with respect to Brazil, the People's Republic of China, Thailand, and the United Arab Emirates. The petitioners requested postponement of the preliminary determinations with respect to these four countries, explaining that they need time to evaluate questionnaire responses, the submissions of which were extended by the Department. Additionally, petitioners stated that they intend to file sales-below-cost allegations with respect to Thailand and the United Arab Emirates, and anticipated that the Department will need time to adequately analyze these allegations.

For the reasons identified by the petitioners and because there are no compelling reasons to deny the request, the Department is postponing the deadline for the preliminary determinations with respect to Brazil, the People's Republic of China, Thailand, and the United Arab Emirates pursuant to section 733(c)(1)(A) of the Act by 50 days to April 25, 2008. The deadline for the final determinations will continue to be 75 days after the date of the preliminary determinations, unless extended.

This notice is issued and published pursuant to sections 733(c)(2) and 777(1) of the Act, and 19 CFR 351.205(f)(1).

Dated: February 4, 2008.

Assistant Secretary for Import Administration.
