DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

February 6, 2008.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments regarding (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), OIRA_Submission@OMB.EOP.GOV or fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Comments regarding these information collections are best assured of having their full effect if received within 30 days of this notification. Copies of the submission(s) may be obtained by calling (202) 720-8681.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to

the collection of information unless it displays a currently valid OMB control number.

Rural Utilities Service

Title: 7 CFR 1783, Revolving Fund Program.

OMB Control Number: 0572-0138.

Summary of Collection: Section 6002 of the Farm Security and Rural Investment Act of 2002 amended the Consolidated Farm and Rural Development Act by adding a grant program that established the Revolving Fund Program (RFP) to assist communities with water or wastewater systems. Qualified private non-profit organizations will receive RFP grant funds to establish a lending program for eligible entities.

Need and Use of the Information: Non-profit organizations applying for the RFP grant(s) must submit an application package that includes an application form, narrative proposal (work plan), various other forms, certifications, and supplemental information. The Rural Development State Offices and the Rural Utilities Service National Office staff will use the information collected to determine applicant eligibility, project feasibility, and the applicant's ability to meet the grant and regulatory requirements. Grant recipients will set up a revolving loan fund to provide loans to finance predevelopment costs of water or wastewater projects, or short-term small capital projects not part of the regular operation and maintenance of current water and wastewater systems.

Description of Respondents: Not-for-profit institutions.

Number of Respondents: 5.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 313.

Rural Utilities Service

Title: 7 CFR 1776, Household Water Well System Grant Program.

OMB Control Number: 0572-0139.

Summary of Collection: The Rural Utilities Service (RUS) is authorized by Section 306E of the Consolidated Farm and Rural Development Act (7 U.S.C. 1926e) to administer and make grants to qualified private non-profit organizations which will use the funds to establish lending programs from which individuals may borrow money for household water well systems under

the Household Water Well System program.

Need and Use of the Information: The grant applicants will provide information to be collected as part of the application and grant process through certain documentation, certifications, and completed forms. Grant applicants must show that the project will provide technical and financial assistance to eligible individuals to remedy household well problems. The grant recipients will establish a revolving loan fund lending program to provide water well loans to individuals who own or will own private wells in rural areas. The individual loan recipients may use the funds to construct, refurbish, and service their household well systems for an existing home.

Description of Respondents: Not-for-profit institutions.

Number of Respondents: 10.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 1,112.
