SUPPLEMENTARY INFORMATION:

I. Background

The ETA 902 Report, Disaster Unemployment Assistance (DUA) Activities, is a monthly report submitted by an impacted state(s) when a major disaster is declared by the President that provides for individual assistance (including DUA). The report contains data on DUA claims and payment activities associated with administering the DUA program. The information is used by ETA's Office of Workforce Security (OWS) to determine workload counts, for example, the number of individuals determined eligible or ineligible for DUA, the number of appeals filed, and the number of overpayments issued. The report also allows OWS to track states' administrative costs for the DUA program(s).

A copy of the proposed information collection request (ICR) can be obtained by contacting the office listed above in the addressee section of this notice.
