SUPPLEMENTARY INFORMATION:

I. Background

The Office of Workers’ Compensation Programs (OWCP) administers the Federal Employees’ Compensation Act (FECA) and the Longshore and Harbor Workers’ Compensation Act (LHWCA). These acts provide vocational rehabilitation services to eligible workers with disabilities. Section 8104(a) of the FECA and § 939(c) of the LHWCA provide that injured workers are to be furnished vocational rehabilitation services, and § 8111(b) of the FECA and § 908(g) of the LHWCA provide that persons undergoing such vocational rehabilitation receive maintenance allowances as additional compensation. Form OWCP–44 is used to collect information necessary to decide if maintenance allowances should continue to be paid. Form OWCP–44 is submitted to OWCP by contractors hired to provide vocational rehabilitation services. Form OWCP–44 gives prompt notification of key events that may require OWCP action in the vocational rehabilitation process. This information collection is currently approved for use through September 30, 2008.
