BILLING CODE 6353-01-P

DEPARTMENT OF COMMERCE

International Trade Administration

Exemption of Foreign Air Carriers From Customs Duties and Excise Taxes; Review of Findings of Reciprocity Eligibility

AGENCY: International Trade
Administration, U.S. Department of
Commerce.

ACTION: Solicitation of public comments
concerning a review undertaken at the
request of the U.S. Internal Revenue
Service of existing exemptions for
aircraft of foreign registry from certain
customs duties and internal revenue
taxes on the purchase of supplies in the
United States for such aircraft in
connection with their international
commercial operations.

SUMMARY: Notice is hereby given that,
pursuant to sections 1309 and 1317 of
the Tariff Act of 1930, as amended (19
U.S.C. 1309 and 1317), and section 4221
of the Internal Revenue Code, as
amended (26 U.S.C. 4221), the
Department of Commerce is undertaking
to determine whether the governments
of the countries listed herein allow or
will allow substantially reciprocal
customs duties and tax exemptions to
aircraft of U.S. registry in connection
with international commercial
operations similar to those exemptions
currently granted to or available to
aircraft of those countries by the United
States under the aforementioned
statutes. The basis for this undertaking
is the implementation of certain
provisions of the Air Transport
Agreement between the United States
and the European Community and its
Member States, signed in Washington,
DC, on April 30, 2007. The Department
of Commerce finding would be effective
as of March 30, 2008.

The above-cited statutes provide
exemptions for aircraft of foreign
registry from payment of certain
customs duties and internal revenue
taxes on supplies purchased, imported
or stored in the United States for such
aircraft in connection with their
international commercial operations.

These exemptions apply upon a finding
by the Secretary of Commerce, or his
designee, and communicated to the
Department of the Treasury, that such
country allows, or will allow,
“substantially reciprocal privileges” to
aircraft of U.S. registry with respect to
purchases of such supplies in that
country. The Department of Commerce
proposes that aircraft registered in the
following countries be provided
exemptions as allowed by sections 1309
and 1317 of the Tariff Act of 1930, as
amended (19 U.S.C. 1309 and 1317),
and section 4221 of the Internal
Revenue Code, as amended (26 U.S.C.
4221).
