

Act and section 351.213(h)(2) of the Department's regulations allow the Department to extend the 245-day period to 365 days. We determine that it is not practicable to complete the preliminary results of this review within the original time limit because of the need to issue a supplemental questionnaire and analyze the response. Therefore, we are fully extending the deadline for completion of the preliminary results of this administrative review until no later than July 30, 2008. The deadline for the final results of the review continues to be 120 days after the publication of the preliminary results.

This notice is issued and published pursuant to sections 751(a)(1) and 777(i)(1) of the Act.

Dated: February 13, 2008.

Stephen J. Claeys,

AGENCY: Import Administration, International Trade Administration, U.S. Department of Commerce

EFFECTIVE DATE: February 22, 2008.

FOR FURTHER INFORMATION CONTACT: Elfi Blum-Page, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington DC 20230; telephone: (202) 482-0197.

SUPPLEMENTARY INFORMATION:

Background

On August 24, 2007, in response to timely requests from MTZ Polyfilms, Ltd. (MTZ) and Jindal Poly Films Limited of India (Jindal), the Department of Commerce (the Department) initiated an administrative review of the countervailing duty order on polyethylene terephthalate (PET) film, sheet, and strip from India. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 72 FR 48613 (August 24, 2007). This administrative review covers the period January 1, 2006 through

December 31, 2006. The preliminary results of review are currently due no later than April 1, 2008.

Extension of Time Limits for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act) and section 351.213(h)(1) of the Department's regulations require the Department to issue the preliminary results of a review within 245 days after the last day of the anniversary month of the order for which the administrative review was requested, and final results of the review within 120 days after the date on which the notice of the preliminary results is published in the **Federal Register**. However, if the Department determines that it is not practicable to complete the review within the aforementioned specified time limits, section 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations allow the Department to extend the 245-day period to 365 days and to extend the 120-day period to 180 days.

We determine that it is not practicable to complete the preliminary results of this review within the original time limit. Due to the large number of programs under review, the Department needs additional time to analyze the questionnaire responses and issue appropriate supplemental questionnaires. Therefore, the Department is extending the deadline for completion of the preliminary results of this administrative review of the countervailing duty order on PET film from India by 120 days from April 1, 2008 until no later than July 30, 2008.

This notice is issued and published pursuant to sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: February 13, 2008.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Certain Pasta From Italy: Notice of Preliminary Results of Antidumping Duty Changed Circumstances Review and Intent To Reinstate the Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an antidumping changed circumstances review with respect to Pasta Lenzi S.r.l. (Lenzi), a producer/exporter of pasta from Italy, and American Italian Pasta Company (AIPC), Lenzi's corporate parent and importer of subject merchandise produced by Lenzi. The Department preliminarily determines that Lenzi made sales at less than normal value (NV) during the 2002-2003 period of review (POR), that, consequently, Lenzi no longer qualifies for revocation based upon three consecutive reviews resulting in *de minimis* margins, and that the order should be reinstated on certain pasta from Italy related to subject merchandise produced and exported by Lenzi. We will instruct U.S. Customs and Border Protection (CBP) to suspend liquidation of all entries of subject merchandise produced and exported by Lenzi entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**. Interested parties are invited to comment on these preliminary results.

EFFECTIVE DATE: February 22, 2008.
