Needs and Uses: This decision revised and made adjustments to the deployment schedule that must be followed by wireless carriers that chose to implement E911 service using a handset-based technology. The Commission also deferred the date for initial distribution of Automatic Location Identification (ALI)-capable handsets by seven months; adjusting the timetable for carriers to meet certain interim benchmarks for activating new ALI-capable handsets; deferred the date by which a carrier must achieve full penetration of ALI-capable handsets by one year; modified the manner in which the Commission defined full penetration; eliminated the separate handset phase-in schedule triggered by a request from a Public Safety Answering Point (PSAP), and addressed several other issues regarding implementation of enhanced 911 Phase II.

Synopsis of the Order

1. In this *Hearing Designation Order*, the Commission commences a hearing proceeding before a Commission Administrative Law Judge to determine whether the above-captioned application filed by William F. Crowell for renewal of his license for Amateur Radio Station W6WBJ should be granted. As discussed below, the record before us indicates that Castle has apparently willfully and repeatedly engaged in unlawful Commission-related activities, including, but not limited to, intentionally causing interference; transmitting music and one-way communications; and using slanderous, harassing, and indecent language on amateur frequencies. Based on the information before us, we believe that Crowell's apparent continuing course of misconduct raises a substantial and material question of fact as to whether he possesses the requisite character qualifications to be and remain a Commission licensee. Accordingly, we hereby designate his application for hearing.

2. Pursuant to sections 4(i) and 309(e) of the Communications Act of 1934, as amended, 47 U.S.C. 154(i), and 309(e),

the captioned application is designated for hearing in a proceeding before an FCC Administrative Law Judge, at a time and place to be specified in a subsequent *Order*, upon the following issues:

(a) To determine whether William F. Crowell willfully and/or repeatedly violated Section 333 of the Communications Act of 1934, as amended, and § 97.101(d) of the Commission's rules, by intentionally interfering with radio communications;

(b) To determine whether William F. Crowell willfully and/or repeatedly violated § 97.113(b) of the Commission's rules by transmitting one-way communications on amateur frequencies;

(c) To determine whether William F. Crowell willfully and/or repeatedly violated § 97.113(a)(4) of the Commission's rules by transmitting indecent language;

(d) To determine whether William F. Crowell willfully and/or repeatedly violated § 97.113(a)(4) of the Commission's rules by transmitting music;

(e) To determine, in light of the evidence adduced pursuant to the foregoing issues, whether William F. Crowell is qualified to be and remain a Commission licensee;

(f) To determine, in light of the evidence adduced pursuant to the foregoing issues, whether the captioned application filed by William F. Crowell should be granted.

3. Pursuant to section 4(i) of the Communications Act of 1934, as amended, 47 U.S.C. 154(i), and § 1.221(c) of the Commission's rules, 47 CFR 1.221(c), in order to avail himself of the opportunity to be heard, William F. Crowell, in person or by his attorney, shall file with the Commission, within twenty calendar days of the mailing of this *Hearing Designation Order* to him, a written appearance stating that he will appear on the date fixed for hearing and present evidence on the issues specified herein.

4. Pursuant to § 1.221(c) of the Commission's rules, 47 CFR 1.221(c), if William F. Crowell fails to file a written appearance within the twenty-day period, or has not filed prior to the expiration of the twenty-day period, a petition to dismiss without prejudice, or a petition to accept, for good cause shown, a written appearance beyond the expiration of the twenty-day period, the Presiding Administrative Law Judge shall dismiss the captioned application with prejudice for failure to prosecute.

5. The Chief, Enforcement Bureau, shall be made a party to this proceeding

without the need to file a written appearance.

6. Pursuant to sections 4(i) and 309(e) of the Communications Act of 1934, as amended, 47 U.S.C. 154(i), and 309(e), the burden of proceeding with the introduction of evidence and the burden of proof with respect to all of the issues specified above shall be on William F. Crowell.

7. A copy of this *Hearing Designation Order* or a summary thereof shall be published in the **Federal Register**.

8. This action is taken under delegated authority pursuant to §§ 0.131 and 0.331 of the Commission's rules, 47 CFR 0.131, and 0.331.

Federal Communications Commission.

Scot Stone,

Deputy Chief, Mobility Division.

BILLING CODE 6712-01-P

FEDERAL DEPOSIT INSURANCE CORPORATION

Agency Information Collection Activities: Proposed Information Collection; Comment Request

AGENCY: Federal Deposit Insurance Corporation (FDIC).

ACTION: Notice and request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), an agency may not conduct or sponsor, and the respondent is not required to respond to, an information collection unless it displays a currently valid Office of Management and Budget (OMB) control number. The FDIC is contemplating establishing a generic information collection to conduct occasional qualitative surveys in support of Alliance for Economic Inclusion (AEI) initiatives. The subject matter of the surveys would be determined by individual AEI regional area needs and areas of interest, but likely would include such topics as financial literacy education, asset building programs, retail banking services, and alternative financial services delivery channels. Survey respondents would typically include AEI coalition member financial institutions, but may also include non-AEI member financial institutions in regional areas served by AEs. Depending on local needs, other organizations could also be surveyed as well.

DATES: Comments must be submitted on or before April 25, 2008.

ADDRESSES: Interested parties are invited to submit written comments by

mail to Leneta Gregorie, Legal Division, Federal Deposit Insurance Corporation, 550 17th Street, NW., Washington, DC 20429; by FAX at (202) 898-8788; or by e-mail to comments@fdic.gov. All comments should refer to "Alliance for Economic Inclusion (AEI) Occasional Qualitative Surveys." Copies of comments may also be submitted to the OMB desk officer for the FDIC, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Washington, DC 20503.

FOR FURTHER INFORMATION CONTACT:

Interested members of the public may obtain additional information about the collection by contacting Leneta Gregorie at the address identified above or by calling 202-898-3719.

SUPPLEMENTARY INFORMATION:

Proposal to Seek OMB Approval for the Following New Collection of Information

Title: Alliance for Economic Inclusion (AEI) Occasional Qualitative Surveys.

OMB Number: New collection (3064-xxxx).

Frequency of Response: Occasional.

Affected Public: Primarily insured financial institutions in areas served by AEI coalitions, although other organizations could also be surveyed as well.

Estimated Number of Respondents: Up to 90 per collection.

Estimated time per response: Up to 1 hour per respondent.

Estimated Total Annual Burden: 90 respondents × 20 collections per year × 1 hour per response = 1,800 hours.

General Description of Collection

The AEI is a national initiative sponsored by the FDIC to help improve the economic well-being of low- and moderate-income individuals and families by improving their access to the U.S. banking system. To facilitate this effort, AEI has established broad-based coalitions of financial institutions, community- and faith-based organizations, state, and local governmental agencies, federal bank regulators, researchers, employers, and bank trade associations in various markets across the country to focus on the basic retail financial services needs of unbanked and underserved populations in their respective areas. Currently, there are nine AEI coalitions, one each focusing on: The "Black Belt" semi-rural area of Alabama; the greater Boston/Worcester area; the city of Chicago; the Austin/South Texas, Texas area; the Kansas City metropolitan area; the Louisiana and Mississippi Gulf
