RAILROAD RETIREMENT BOARD

Proposed Collection; Comment Request

SUMMARY: In accordance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Title and Purpose of Information Collection:

Application for Reimbursement for Hospital Insurance Services in Canada; OMB 3220-0086. Under section 7(d) of the Railroad Retirement Act (RRA), the RRB administers the Medicare program for persons covered by the railroad

retirement system. Payments are provided under section 7(d)4) of the RRA for medical services furnished in Canada to the same extent as for those furnished in the United States. However, payments for the services furnished in Canada are made from the Railroad Retirement Account rather than from the Federal Hospital Insurance Trust Fund, with the payments limited to the amount by which insurance benefits under Medicare exceed the amounts payable under Canadian Provincial plans.

Form AA-104, Application for Canadian Hospital Benefits Under Medicare—Part A, is provided by the RRB for use in claiming benefits for covered hospital services received in Canada. The form obtains information needed to determine eligibility for, and the amount of any reimbursement due the applicant. One response is requested of each respondent. Completion is required to obtain a benefit.

The RRB proposes non-burden impacting formatting and editorial changes to Form AA-104.

Number of respondents: 35

Estimated Completion Time: 10 minutes

Estimated annual burden hours: 6

Additional Information or Comments:

To request more information or to obtain a copy of the information collection justification, forms, and/or supporting material, please call the RRB Clearance Officer at (312) 751-3363 or send an e-mail request to Charles.Mierzwa@RRB.GOV. Comments regarding the information collection should be addressed to Ronald J. Hodapp, Railroad Retirement Board, 844 North Rush Street, Chicago, Illinois 60611-2092 or send an e-mail to Ronald.Hodapp@RRB.GOV. Written comments should be received within 60 days of this notice.

Charles Mierzwa,
Clearance Officer.

BILLING CODE 7905-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57340; File No. SR-BSE-2007-54]

Self-Regulatory Organizations; Boston Stock Exchange, Inc.; Order Approving Proposed Rule Change, as Modified by Amendment No. 2 Thereto, Relating to the Imposition of Fines for Minor Rule Violations

February 15, 2008.

On December 20, 2007, the Boston Stock Exchange, Inc. ("BSE" or "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to amend the Boston Options Exchange ("BOX") rules related to Contrary Exercise Advice violations. On January 7, 2008, the Exchange filed Amendment No. 1 to the proposed rule change.³ On January 10, 2008, the Exchange withdrew Amendment No. 1 and simultaneously filed Amendment No. 2 to the proposed rule change.⁴ The proposed rule change, as modified by Amendment No. 1, was published for comment in the **Federal Register** on January 14, 2008.⁵ The Commission received no comments regarding the proposal. This order approves the proposed rule change as modified by Amendment No. 2.

The Exchange proposes to increase and strengthen the sanctions imposed under its Minor Rule Violation Plan ("MRVP") on any member who fails to submit to the Exchange in a timely manner pursuant to BOX Rule Chapter X, Section 2(f), "Contrary Exercise Advice Violations" or exercise

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ Amendment No. 1 revised the proposed rule text to clarify how fines for third and subsequent offenses are imposed.

⁴ Amendment No. 2 retained the clarification (submitted in Amendment No. 1) regarding how fines for third and subsequent offenses are imposed and corrected a page numbering error. Therefore, Amendment No. 2 was technical in nature and therefore does not need to be published for comment.

⁵ See Securities Exchange Act Release No. 57108 (January 7, 2008), 73 FR 2294.

instructions relating to the exercise or nonexercise of a noncash-settled equity option. The Exchange believes that increasing the fine levels specified with respect to both individual members and member organizations and lengthening the surveillance period from a 12-month period to a rolling 24-month period will serve as an effective deterrent to such violative conduct.⁶

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.⁷ In particular, the Commission believes that the proposal is consistent with Section 6(b)(5) of the Act,⁸ which requires that the rules of an exchange be designed to promote just and equitable principles of trade, to facilitate transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Commission further believes that the Exchange's proposal to increase the fine levels imposed on individuals and member organizations who fail to submit Advice Cancel or exercise instructions in a timely manner is consistent with Sections 6(b)(1) and 6(b)(6) of the Act,⁹ which require that the rules of an exchange enforce compliance with, and provide appropriate discipline for, violations of Commission and Exchange rules. In addition, the Commission finds that the proposal is consistent with the public interest, the protection of investors, or otherwise in furtherance of the purposes of the Act, as required by Rule 19d-1(c)(2) under the Act,¹⁰ which governs minor rule violation plans. The Commission believes that the proposed rule change should strengthen the Exchange's ability to carry out its oversight and enforcement responsibilities as an SRO in cases

where full disciplinary proceedings are unsuitable in view of the minor nature of the particular violation.

In approving this proposed rule change, the Commission in no way minimizes the importance of compliance with the Exchange's rules and all other rules subject to the imposition of fines under the MRVP. The Commission believes that the violation of any SRO rules, as well as Commission rules, is a serious matter. However, the MRVP provides a reasonable means of addressing rule violations that do not rise to the level of requiring formal disciplinary proceedings, while providing greater flexibility in handling certain violations. The Commission expects that the Exchange would continue to conduct surveillance with due diligence and make a determination based on its findings, on a case-by-case basis, whether a fine of more or less than the recommended amount is appropriate for a violation under the MRVP or whether a violation requires formal disciplinary action.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act¹¹ and Rule 19d-1(c)(2) under the Act,¹² that the proposed rule change (SR-BSE-2007-54), as modified by Amendment No. 2, e, and hereby is, approved and declared effective.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹³

Florence E. Harmon,

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57352; File No. SR-CBOE-2008-07]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Order Granting Accelerated Approval of Proposed Rule Change, as Modified by Amendment No. 1, Requesting Permanent Approval of Two Pilot Programs That Increase Position and Exercise Limits

February 19, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934

(“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 6, 2008, the Chicago Board Options Exchange, Incorporated (“CBOE” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been substantially prepared by the Exchange. The Exchange filed Amendment No. 1 to the proposed rule change on February 13, 2008. This order provides notice of the proposed rule change as modified by Amendment No. 1 and approves the proposed rule change as amended on an accelerated basis.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange requests permanent approval of two pilot programs that increase position and exercise limits for equity options. The Exchange proposes to amend Rule 4.11, *Position Limits*, and Rule 4.12, *Exercise Limits*, to permanently establish the increased limits of the two pilot programs. The text of the proposed rule change is available at CBOE, the Commission's Public Reference Room, and <http://www.cboe.org/legal>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item III below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to request permanent approval of two pilot programs that increase position and exercise limits for equity options. The Exchange proposes to amend Rule 4.11, *Position Limits*, and Rule 4.12, *Exercise Limits*, to permanently establish the increased limits of the two pilot programs. Rule 4.11 subjects equity options to one of

⁶ In addition, as a member of the Intermarket Surveillance Group, the Exchange, as well as certain other self-regulatory organizations (“SROs”), executed and filed on October 29, 2007 with the Commission, a final version of an Agreement pursuant to Section 17(d) of the Act (the “17d-2 Agreement”). As set forth in the 17d-2 Agreement, the SROs have agreed that their respective rules concerning the filing of Expiring Exercise Declarations, also referred to as Contrary Exercise Advices, are common rules. As a result, the proposal to amend the MRVP will result in further consistency in sanctions among the SROs that are signatories to the 17d-2 Agreement concerning Contrary Exercise Advice violations.

⁷ In approving this proposed rule change, the Commission notes that it has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

⁸ 15 U.S.C. 78f(b)(5).

⁹ 15 U.S.C. 78f(b)(1) and 78f(b)(6).
