Oregon Parks and Recreation Department Habitat Conservation Plan for the Western Snowy Plover in Clatsop, Tillamook, Lincoln, Lane, Douglas, Coos, and Curry Counties, OR

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Reopening of public comment period.

SUMMARY: This notice advises the public and other interested parties that the comment period for the Draft Environmental Impact Statement (DEIS), Habitat Conservation Plan (HCP), Incidental Take Permit (ITP) application, and Implementing Agreement (IA) regarding the Oregon Parks and Recreation Department's (OPRD) HCP for the western snowy plover is reopened for fifteen days. The original notice contains additional information and was published in the **Federal Register** on November 5, 2007 (72 FR 62485).

The OPRD has submitted an application to the U.S. Fish and Wildlife Service (Service) for an ITP pursuant to section 10(a)(1)(B) of the Endangered Species Act of 1973, as amended (ESA). As required by section 10(a)(2)(B) of the ESA, the OPRD has also prepared an HCP that describes the proposed actions and measures the applicant will implement to minimize and mitigate take of the threatened western snowy plover (*Charadrius alexandrinus nivosus*). The permit application is related to public use, recreation, beach management, and resource management activities along Oregon's coastal shores.

The Service generally allows 45 days for public comment on a DEIS which evaluates the impacts of a proposed HCP and associated ITP on the human environment. The original comment period on the DEIS was from November 5, 2007, to January 4, 2008, and extended over several Federal holidays

so the Service provided a 60-day comment period. However, during that period, the Pacific Northwest coast experienced extreme weather with coastal wind damage and flooding, potentially affecting the ability of interested parties to obtain necessary documents for review. Since the area damaged by severe weather encompassed the area potentially affected by the proposed HCP, we are reopening the public comment period for 15 days following publication of this notice. Comments received will become part of the public record and will be available for review pursuant to section 10(c) of the ESA. For locations to review the documents, please see the **SUPPLEMENTARY INFORMATION** section below.

DATES: Comments must be received from interested parties on or before March 12, 2008. Written comments may be sent by mail, facsimile, or e-mail to the addresses listed below.

ADDRESSES: All written comments and requests for information should be addressed to: Laura Todd, U.S. Fish and Wildlife Service, Newport Field Office, 2127 SE OSU Drive, Newport, OR 97365-5258; facsimile (541) 867-4551. You may submit comments by postal mail/commercial delivery or by e-mail. Submit comments by e-mail to FWIORDHCP@fws.gov. In the subject line of the e-mail include the identifier OPRD HCP EIS.

SUPPLEMENTARY INFORMATION: The documents, comments and materials received will be available for public inspection, by appointment, during normal business hours at the above address. You may view or download the draft HCP and DEIS on the Internet at <http://www.fws.gov/oregonfwo/FieldOffices/Newport/> or from OPRD's Web site at http://www.egov.oregon.gov/OPRD/PLANS/osmp_hcp.shtml.
