Ivaco and petitioners submitted their case briefs on January 23, 2008. Ivaco and petitioners submitted their rebuttal briefs on January 30, 2008. The final results are currently due not later than March 6, 2008.

Extension of Time Limit for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the final results of an administrative review within 120 days after the date on which the preliminary results were published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results up to 180 days from the date of publication of the preliminary results.

We determine that it is not practicable to complete the final results of this review within current statutory limits. The Department requires additional time to evaluate the information submitted by parties after the preliminary results were published. Therefore, we are extending the deadline for the final results of this review by 60 days, until no later than May 5, 2008, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a)(1), 751(a)(3)(A), and 777(i)(1) of the Act.
