Agency Information Collection Activities: Proposed Collection; Comment Request

In compliance with section 3506(c)(2)(A) of the Paperwork

Reduction Act of 1995 concerning opportunity for public comment on proposed collections of information, the Substance Abuse and Mental Health Services Administration will publish periodic summaries of proposed projects. To request more information on the proposed projects or to obtain a copy of the information collection plans, call the SAMHSA Reports Clearance Officer on (240) 276–1243.

Comments are invited on: (a) Whether the proposed collections of information are necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Project: Data Toolkit Protocol for the Crisis Counseling Assistance and Training Program (CCP) (OMB No. 0930–0270)—Revision

The Substance Abuse and Mental Health Services Administration's (SAMHSA) Center for Mental Health Services (CMHS) will create a toolkit to be used for the purposes of collecting data on the Crisis Counseling Assistance and Training Program (CCP). The CCP provides supplemental funding to states and territories for individual and community crisis intervention services during a federal declared disaster in accordance with section 416, Robert T. Stafford Disaster Relief and Emergency Assistance Act (Pub. L. 93–288, as amended).

The CCP has provided disaster mental health services to millions of disaster survivors since its inception and, as a result of 30 years of accumulated expertise, it has become an important model for Federal response to a variety of catastrophic events. State CCPs, such as Project HOPE (after Hurricane Floyd in North Carolina), Project Heartland (in Oklahoma City after the Murrah Federal Building bombing), Project Liberty (in New York after 9/11), and Project Outreach for Recovery (after the Rhode Island nightclub fire), gulf coast States affected by the 2005 hurricanes, and recent 2007 southern California wildfires have primarily addressed the short-term mental and behavioral health needs of communities through (a) outreach and public education, (b) individual and group counseling, and (c) referral. Disaster victims are
