Affected Public: Individuals or households.

Annual Burden Hours: 11.

Number of Respondents: 33.

Responses Per Respondent: 2.

Average Burden Per Response: 10 minutes.

SUPPLEMENTARY INFORMATION:

Summary of Information Collection

The DoDEA Sure Start program is an educational program for preschoolers who are "at risk" for later school failure because of economic circumstance or other health and/or family factors. Because this program is expensive to replicate, it is reserved for those children and families who will most benefit from participation in the program. As specified in the internal document, "Sure Start Program Guide 2007-2008 Department of Defense Education Activity," DoDEA Sure Start staff is required to assess the quality of the program as a whole. One component of this program assessment is the completion of a parent questionnaire, which when combined with additional data elements, will be used to develop the annual progress plan. The Sure Start Parent Questionnaire measures the satisfaction level of parents/sponsors of students enrolled in DoDEA Sure Start programs. This questionnaire will be handed out during mid-year parent meetings and again at the end of the year as part of the on-going program evaluation. Individual schools are charged with administering the questionnaire to the parents of students in the Sure Start program. If a student withdraws prior to the end of the school year, the family will be given the questionnaire. Responses will be tallied by each school and forwarded to the Early Childhood specialist in each area (DDESS, Europe, and the Pacific). Individual schools, in coordination with the area office and DoDEA Headquarters, will use these data to ensure that the Sure Start program is being implemented as required and to make continual program improvements. In addition to being informed in writing, all eligible respondents will be verbally informed that their participation is voluntary and no benefit/punishment is attached to a response or non-response.

AGENCY: DoD; Department of Defense Education Activity (DoDEA).

ACTION: Notice.

SUMMARY: The Secretary of Defense is authorized by Section 1404(c) of Public

Law 95-561, "Defense Dependents' Education Act of 1978," as amended, 20 U.S.C. 923(c), to identify classes of dependents who may enroll in DoD Dependents Schools (DoDDS) and to waive tuition for any of such classes. Through DoD Directive 5124.8, "Principal Deputy Under Secretary of Defense for Personnel and Readiness," dated July 16, 2003, subparagraph 4.1.2.2, the Secretary has delegated to the Principal Deputy Under Secretary for Personnel and Readiness (PDUSD(P&R)) the authority to prescribe policies for DoDEA.

This notice announces that the PDUSD(P&R) designated certain classes of dependents for whom tuition may be waived on a space-available, tuition-free basis on the dates listed below. Please note that the availability of space in DoDDS varies from year to year and is not guaranteed. Commanders should ensure that enrollments are timely and do not disrupt the dependent's or school's educational program.

All minor dependents shall be allowed to finish the school year if the activated reserve component member returns to an inactive status. This waiver does not apply to the eligibility classes of minor dependents of federal civilian employees called to active duty, which is governed by separate law.
