Wooden Bedroom Furniture From the People's Republic of China; Initiation of New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 7, 2008.

SUMMARY: The Department of Commerce (the "Department") received timely requests to conduct new shipper reviews of the antidumping duty order on wooden bedroom furniture from the People's Republic of China ("PRC"). In accordance with 19 CFR 351.214(d)(1), we are initiating new shipper reviews for Golden Well International (HK), Ltd. ("Golden Well") and its supplier Zhangzhou XYM Furniture Product Co., Ltd. (Zhangzhou XYM), and for Dongguan Sunshine Furniture Co., Ltd. ("Sunshine").

FOR FURTHER INFORMATION CONTACT: Paul Stolz or Hua Lu, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-4474 or (202) 482-6478, respectively.

SUPPLEMENTARY INFORMATION: The Department received timely requests from Sunshine and Golden Well on January 4 and 31, 2008 respectively, pursuant to section 751(a)(2)(B) of the Tariff Act of 1930, as amended ("the Act"), and in accordance with 19 CFR 351.214(c), for new shipper reviews of the antidumping duty order on wooden bedroom furniture from the PRC. See *Notice of Amended Final Determination of Sales at Less than Fair Value and Antidumping Duty Order: Wooden Bedroom Furniture from the People's Republic of China*, 70 FR 329 (January 4, 2005).

Pursuant to the requirements set forth in 19 CFR 351.214(b)(2)(i), in their requests for new shipper reviews, Golden Well, as an exporter, and its supplier Zhangzhou XYM, and Sunshine, as a producing exporter, all certified that (1) they did not export wooden bedroom furniture to the

United States during the period of investigation ("POI"); (2) since the initiation of the investigation, they have never been affiliated with any company that exported subject merchandise to the United States during the POI; and (3) their export activities were not controlled by the central government of the PRC.

In accordance with 19 CFR 351.214(b)(2)(iv), Golden Well and Sunshine submitted documentation establishing the following: (1) the date on which they first shipped wooden bedroom furniture for export to the United States; (2) the volume of their first shipment; and (3) the date of their first sale to an unaffiliated customer in the United States.

Initiation of New Shipper Review

In accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214(d)(1), and based on information on the record, we find that Golden Well's and Sunshine's requests meet the initiation threshold requirements and we are initiating new shipper reviews for shipments of wooden bedroom furniture exported by Golden Well that were produced by Zhangzhou XYM, and shipments of wooden bedroom furniture produced and exported by Sunshine. See Memorandum to the File through Wendy J. Frankel, Director, New Shipper Initiation Checklist, dated February 29, 2008. The Department will conduct these new shipper reviews according to the deadlines set forth in section 751(a)(2)(B)(iv) of the Act.

Pursuant to 19 CFR 351.214(g)(1)(i)(A), the period of review ("POR") for a new shipper review initiated in the month immediately following the anniversary month will be the 12-month period immediately preceding the anniversary month. In this case, the relevant anniversary month of the order is January 2008. Therefore, the POR for the new shipper reviews of Golden Well and Sunshine will be January 1 through December 31, 2007.

It is the Department's usual practice, in cases involving non-market economies, to require that a company seeking to establish eligibility for an antidumping duty rate separate from the country-wide rate provide evidence of *de jure* and *de facto* absence of government control over the company's export activities. Accordingly, we will issue questionnaires to Golden Well and Sunshine, which will include a separate-rate section. The reviews will proceed if the responses provide sufficient indication that Golden Well and Sunshine are not subject to either *de jure* or *de facto* government control

with respect to their exports of wooden bedroom furniture.

On August 17, 2006, the Pension Protection Act of 2006 (H.R. 4) was signed into law. Section 1632 of H.R. 4 temporarily suspends the authority of the Department to instruct U.S. Customs and Border Protection to collect a bond or other security in lieu of a cash deposit in new shipper reviews. Therefore, the posting of a bond or other security under section 751(a)(2)(B)(iii) of the Act in lieu of a cash deposit is not available in this case. Importers of wooden bedroom furniture 1) produced by Zhangzhou XYM and exported by Golden Well, or 2) produced and exported by Sunshine must continue to post cash deposits of estimated antidumping duties on each entry of subject merchandise (*i.e.*, wooden bedroom furniture) at the PRC-wide entity rate of 216.01 percent.

Interested parties that need access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are issued in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214 and 351.221(c)(1)(i).

Dated: February 29, 2008.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Public Safety Voice Over Internet Protocol (VoIP) Roundtable for Organizations Interested in Utilization of VoIP for Communication Between Public Safety Personnel

AGENCY: National Institute of Standards and Technology, Department of Commerce.

ACTION: Notice of Public Workshop.

SUMMARY: The Office of Law Enforcement Standards (OLEs), in cooperation with the Department of Homeland Security's Office of Interoperability and Compatibility (DHS/OIC) and representatives of the public safety community, will hold a public working group on April 7-11, 2008, at the Institute for Telecommunication Sciences (ITS) in Boulder, CO. The purpose of the first

three days of the meeting (April 7-10, 2008) is to bring manufacturers together to establish Voice over IP (VoIP) connectivity between radio communication system bridging devices. The purpose of the last two days of the working group is to discuss the development of an enhanced implementation profile for VoIP between radio system bridging solutions. The results of this and subsequent roundtable discussions will be used in the development of specific implementation profiles for VoIP usage in public-safety owned systems.

There is no charge for the roundtable; however, because of meeting room restrictions, advance registration is mandatory and limited to three representatives from any one organization. There will be no on-site, same-day registration. The registration deadline is April 1, 2008. Please note registration and admittance instructions and other additional information under the **SUPPLEMENTARY INFORMATION** section of this notice.

DATES: The workshop will be held on April 7-10, 2008, from 8:30 a.m. until 5 p.m. MT, and April 11, 2008 from 8:30 a.m. until Noon.

ADDRESSES: The roundtable will be held in the Radio Building (Building 1), Room 1103/1105/1107, 325 Broadway, Boulder, CO 80305.

FOR FURTHER INFORMATION CONTACT:

Dereck Orr, (303) 497-5400, e-mail: dereck.orr@nist.gov. The mailing address is 325 Broadway, Mail Stop ITS.P, Boulder, CO 80305. Information regarding OLES can be viewed at <http://www.eeel.nist.gov/oles/>. Information regarding DHS/OIC can be viewed at <http://www.safecomprogram.gov>. Information regarding ITS can be viewed at <http://www.its.bldrdoc.gov>.

SUPPLEMENTARY INFORMATION: In response to a request from the U.S. Department of Homeland Security (DHS), Science and Technology Directorate (S&T), Command, Control and Interoperability Division (CCI), Office of Interoperability and Compatibility (OIC), the NIST Office of Law Enforcement Standards (OLEs) is developing protocol implementation profiles for VoIP communications between public safety personnel.

The request from OIC germinated from practitioner-raised issues related to VoIP-enabled solutions being marketed to the public safety community as an "interoperability solution," yet these solutions will not interoperate with VoIP-enabled solutions from other manufacturers making the same claim. The proper way to address this situation

is to develop a protocol implementation profile (or set of profiles) that contains the minimum standards, parameters and values necessary to ensure that solutions developed by independent organizations will interoperate with each other. This roundtable discussion is intended to lead to the development of a protocol implementation profile for VoIP-enabled radio system bridging solutions.

Anyone wishing to attend this meeting must register by close of business April 1, 2008, in order to attend. Please submit your name, time of arrival, e-mail address and phone number to Ms. Kathy Mayeda and she will provide you with logistics information for the meeting. Ms. Mayeda's e-mail address is kmayeda@its.bldrdoc.gov and her phone number is (303) 497-5890.

All attendees are required to submit their name, time of arrival, e-mail address and phone number to Ms. Mayeda. Non-U.S. citizens must also submit their country of citizenship, title, employer/sponsor and address.

Dated: February 29, 2008.
