

circumstances surrounding the proposed substitutions will be such as to offer the same degree of protection to each Replacement Fund from overreaching that Rule 17a-7 provides to them generally in connection with their purchase and sale of securities under that Rule in the ordinary course of their business. In particular, the Insurance Companies (or any of their affiliates) cannot effect the proposed transactions at a price that is disadvantageous to any of the Replacement Funds. Although the transactions may not be entirely for cash, each will be effected based upon (1) the independent market price of the portfolio securities valued as specified in paragraph (b) of Rule 17a-7, and (2) the net asset value per share of each fund involved valued in accordance with the procedures disclosed in its respective Investment Company's registration statement and as required by Rule 22c-1 under the Act. No brokerage commission, fee, or other remuneration will be paid to any party in connection with the proposed in-kind purchase transactions.

29. The sale of shares of Replacement Funds for investment securities, as contemplated by the proposed Insurance Company in-kind purchases, is consistent with the investment policy and restrictions of the Investment Companies and the Replacement Funds because (1) the shares are sold at their net asset value, and (2) the portfolio securities are of the type and quality that the Replacement Funds would each have acquired with the proceeds from share sales had the shares been sold for cash. To assure that the second of these conditions is met, Met Investors Advisory, LLC, MetLife Advisers, LLC and the sub-adviser, as applicable, will examine the portfolio securities being offered to each Replacement Fund and accept only those securities as consideration for shares that it would have acquired for each such fund in a cash transaction.

30. The Section 17 Applicants submit that the proposed Insurance Company in-kind purchases are consistent with the general purposes of the Act as stated in the Findings and Declaration of Policy in Section 1 of the Act and that the proposed transactions do not present any of the conditions or abuses that the Act was designed to prevent.

31. The Section 17 Applicants represent that the proposed in-kind purchases meet all of the requirements of Section 17(b) of the Act and request that the Commission issue an order pursuant to Section 17(b) of the Act exempting the Separate Accounts, the Insurance Companies, MIST, Met Series

Fund and each Replacement Fund from the provisions of Section 17(a) of the Act to the extent necessary to permit the Insurance Companies on behalf of the Separate Accounts to carry out, as part of the substitutions, the in-kind purchase of shares of the Replacement Funds which may be deemed to be prohibited by Section 17(a) of the Act.

Conclusion

Applicants assert that for the reasons summarized above that the proposed substitutions and related transactions meet the standards of Section 26(c) of the Act and are consistent with the standards of Section 17(b) of the Act and that the requested orders should be granted.

For the Commission, by the Division of Investment Management pursuant to delegated authority.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57459; File No. SR-BSE-2008-13]

Self-Regulatory Organizations; Boston Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to the Fee Schedule of the Boston Options Exchange

March 10, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 7, 2008, the Boston Stock Exchange, Inc. ("BSE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the BSE. The BSE has designated the proposed rule change as constituting a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule of the self-regulatory organization pursuant to Section 19(b)(3)(A)(i) of the Act³ and Rule 19b-4(f)(1) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to

solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is proposing to amend the Fee Schedule of the Boston Options Exchange ("BOX"). The proposed rule change will more clearly set forth the fees that are presently already charged for trading options contracts on BOX. The text of the proposed rule change is available on BSE's Web site at <http://www.bostonoptions.com>, at BSE's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the BSE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The BSE has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the BOX Fee Schedule. The proposed change will more clearly set forth the fees that are applicable to Public Customer and Broker Dealer account types. The proposed change will not modify the level of fees that are charged for the trading of options contracts on BOX, nor will it change to whom the fees are charged.

The Exchange currently applies an alternative pricing structure for certain classes of options contracts traded on BOX, the Liquidity Make or Take pricing structure ("Make or Take"). Make or Take fees and credits apply to transactions for all account types (e.g., Public Customer, Broker Dealer or Market Maker) as set forth in Section 7 of the BOX Fee Schedule. Specific references to the Liquidity Make or Take pricing structure and the fees and credits associated therewith are not currently included within the sections of fees applicable to Public Customer accounts as well as Broker Dealer proprietary accounts. However, particular reference to Make or Take is made within the section of fees

⁴ 17 CFR 240.19b-4(f)(1).

applicable to Market Makers. As previously stated, Make or Take is applicable to all three account types.⁵

This proposed rule change will specifically include this reference to Make or Take within the Public Customer and Broker Dealer portions of the BOX Fee Schedule. Again, this proposal will not modify the fees that are currently charged for the trading of options contracts on BOX, nor will it change to whom the fees are charged.

2. Statutory Basis

The Exchange believes that the proposal is consistent with the requirements of Section 6(b) of the Act,⁶ in general, and Section 6(b)(5) of the Act,⁷ in particular, in that it clarifies existing rule text and it is designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(i) of the Act⁸ and subparagraph (f)(1) of Rule 19b-4 thereunder.⁹ The proposed rule change is a stated policy, practice or interpretation with respect to the meaning, administration or enforcement of an existing rule of the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is

necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
