

request for a hearing is made in this investigation, the hearing will tentatively be held two days after the deadline for submission of the rebuttal briefs, pursuant to 19 CFR 351.310(d), at the U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230. Parties should confirm by telephone the time, date, and place of the hearing 48 hours before the scheduled time.

Interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Import Administration, U.S. Department of Commerce, Room 1870, within 30 days of the publication of this notice, pursuant to 19 CFR 351.310(c). Requests should contain: (1) the party's name, address, and telephone; (2) the number of participants; and (3) a list of the issues to be discussed. Oral presentations will be limited to issues raised in the briefs.

This determination is published pursuant to sections 703(f) and 777(i) of the Act.

Dated: March 7, 2008.

**David M. Spooner,**

Assistant Secretary for Import Administration.

### National Institute of Standards and Technology

#### Announcement of the American Petroleum Institute's Standards Activities

**AGENCY:** National Institute of Standards and Technology, Commerce.

**ACTION:** Notice of intent to develop or revise standards and request for public comment and participation in standards development.

**SUMMARY:** The American Petroleum Institute (API), with the assistance of other interested parties, continues to develop standards, both national and international, in several areas. This notice lists the standardization efforts currently being conducted by API committees. The publication of this notice by the National Institute of Standards and Technology (NIST) on behalf of API is being undertaken as a public service. NIST does not necessarily endorse, approve, or recommend the standards referenced.

**ADDRESSES:** American Petroleum Institute, 1220 L Street, NW.,

Washington, DC 20005; telephone (202) 682-8000, <http://www.api.org>.

**FOR FURTHER INFORMATION CONTACT:** All contact individuals listed in the **SUPPLEMENTARY INFORMATION** section of this notice may be reached at the American Petroleum Institute.

#### SUPPLEMENTARY INFORMATION:

##### Background

The American Petroleum Institute develops and publishes voluntary standards for equipment, materials, operations, and processes for the petroleum and natural gas industry. These standards are used by both private industry and by governmental agencies. All interested persons should contact the appropriate source as listed for further information.

**Atlantic Coastal Fisheries Cooperative Management Act Provisions; Tautog Fishery**

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Notice of determination of Non-compliance; Declaration of a moratorium.

**SUMMARY:** In accordance with the Atlantic Coastal Fisheries Cooperative Management Act (Atlantic Coastal Act), NMFS, upon a delegation of authority from the Secretary of Commerce (Secretary), has determined that the State of New Jersey has failed to carry out its responsibilities under the Atlantic States Marine Fisheries Commission's (Commission) Interstate Fishery Management Plan for Tautog (Plan) and that the measures New Jersey has failed to implement and enforce are necessary for the conservation of the tautog resource. This determination is consistent with the findings of the Commission on February 7, 2008. Pursuant to the Atlantic Coastal Act, a Federal moratorium on fishing for tautog within the state waters of New Jersey is hereby declared and will be effective on April 1, 2008. The
