### United States v. Cookson Group PLC, et. al.; Proposed Final Judgment and Competitive Impact Statement

Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. 16(b)-(h), that a proposed Final Judgment and Competitive Impact Statement have been filed with the United States District Court for the District of Columbia in *United States v. Cookson Group plc, et. al.*, Civil Action No. 1:08-cv-00389. On March 4, 2008, the United States filed a Complaint to obtain equitable and other relief against defendants Cookson Group plc and Cookson America Inc. ("Cookson"), and Foseco plc and Foseco Metallurgical Inc. ("Foseco") to prevent Cookson's proposed acquisition of Foseco. The Complaint alleges that Cookson's acquisition of Foseco's United States carbon-bonded ceramic refractory ("CBC") business would substantially lessen competition in the United States in the development, manufacture, and sale of certain CBCs, in violation of section 7 of the Clayton Act, as amended, 15 U.S.C. 18. The proposed Final Judgment, filed on March 4, 2008, requires defendants to divest Foseco's entire United States CBC business, including its plant in Saybrook, Ohio and related assets.

Copies of the Complaint, proposed Final Judgment, and Competitive Impact Statement are available for inspection at the Department of Justice, Antitrust Division, Antitrust Documents Group, 325 7th Street, NW., Room 215, Washington, DC 20530 (telephone: 202-514-2481), on the Department of Justice's Web site at <http://www.usdoj.gov/atr>, and at the Office of the Clerk of the United States District Court for the District of Columbia, Washington, DC.
