AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 18, 2008.

FOR FURTHER INFORMATION CONTACT: Stephen Bailey or Angelica Mendoza, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0193 or (202) 482-3019, respectively.

SUPPLEMENTARY INFORMATION:**Background**

On August 24, 2007, the Department of Commerce (“the Department”) published a notice of initiation of administrative review of the antidumping duty order on purified carboxymethylcellulose from the Netherlands, covering the period July 1, 2006, through June 30, 2007. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 72 FR 48613 (August 24, 2007). The preliminary results for this review are currently due no later than April 1, 2008.

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and the final results of review within 120 days after the date on which the preliminary results are published in the **Federal Register**. If the Department determines that it is not practicable to complete the review within the specified time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

Extension of Time Limits for Preliminary Results

The deadline for the preliminary results of this administrative review is currently April 1, 2008. The Department has determined that completion of the

preliminary results within the statutory time period is not practicable. On January 16, 2008, the Department issued a section A–C supplemental questionnaire to respondent CP Kelco B.V. On February 15, 2008, the Department issued CP Kelco B.V. a supplemental cost questionnaire requesting additional information. CP Kelco B.V. submitted its sections A–C supplemental sales questionnaire response and its section D supplemental cost questionnaire response on February 14, 2008, and February 29, 2008, respectively. The Department requires additional time to review and analyze CP Kelco B.V.’s questionnaire responses, and to determine whether to issue additional supplemental sales and cost questionnaires to CP Kelco B.V.

Therefore, given the additional time needed to conduct a complete analysis for this administrative review, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for completion of the preliminary results to 365 days. Therefore, the preliminary results are now due no later than July 30, 2008. The final results continue to be due no later than 120 days after publication of the notice of the preliminary results.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: March 11, 2008.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

The deadline for the preliminary results of this administrative review is currently April 1, 2008. Floor-Standing, Metal-Top Ironing Tables and Certain Parts Thereof from the People's Republic of China: Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On September 11, 2007, the U.S. Department of Commerce ("the Department") published the preliminary results of the second administrative review of the antidumping duty order on ironing tables from the People's Republic of China ("PRC"). *See Floor-Standing, Metal-Top Ironing Tables and Certain Parts Thereof from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review*, 72 FR 51781 (September 11, 2007) ("AR2 Preliminary Results"). This review covers exports from Since Hardware (Guangzhou) Co., Ltd. ("Since Hardware"). The period of review ("POR") is August 1, 2005, through July 31, 2006. For these final results, the Department revised and continued to apply the Since Hardware supplier price benchmark analysis. Furthermore, the Department revised its calculation of the surrogate financial ratios. Therefore, the final results differ from the preliminary results. *See "Final Results of Review" section below.*

EFFECTIVE DATE: March 18, 2008.

FOR FURTHER INFORMATION CONTACT:

Bobby Wong or Michael Quigley, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0409 or (202) 482-4047, respectively.

SUPPLEMENTARY INFORMATION:

Background

We published in the **Federal Register** the preliminary results of the second administrative review on September 11, 2007. *See AR2 Preliminary Results.*

Following the *AR2 Preliminary Results*, on October 1, 2007, Since Hardware submitted surrogate financial information to value factors of production. On October 11, 2007, Home Products International Inc. ("petitioner") and Since Hardware submitted case briefs. On October 16, 2007, both petitioner and Since Hardware also submitted rebuttal briefs.

Scope of the Order

For purposes of this order, the product covered consists of floor-standing, metal-top ironing tables, assembled or unassembled, complete or incomplete, and certain parts thereof. The subject tables are designed and used principally for the hand ironing or pressing of garments or other articles of fabric. The subject tables have full-height leg assemblies that support the ironing surface at an appropriate (often adjustable) height above the floor. The subject tables are produced in a variety of leg finishes, such as painted, plated, or matte, and they are available with various features, including iron rests, linen racks, and others. The subject ironing tables may be sold with or without a pad and/or cover. All types and configurations of floor-standing, metal-top ironing tables are covered by this review.

Furthermore, this order specifically covers imports of ironing tables, assembled or unassembled, complete or incomplete, and certain parts thereof. For purposes of this order, the term "unassembled" ironing table means a product requiring the attachment of the leg assembly to the top or the attachment of an included feature such as an iron rest or linen rack. The term "complete" ironing table means product sold as a ready-to-use ensemble consisting of the metal-top table and a pad and cover, with or without additional features, *e.g.* iron rest or linen rack. The term "incomplete" ironing table means product shipped or sold as a "bare board" *i.e.*, a metal-top table only, without the pad and cover

with or without additional features, *e.g.* iron rest or linen rack. The major parts or components of ironing tables that are intended to be covered by this order under the term "certain parts thereof" consist of the metal top component (with or without assembled supports and slides) and/or the leg components, whether or not attached together as a leg assembly. The order covers separately shipped metal top components and leg components, without regard to whether the respective quantities would yield an exact quantity of assembled ironing tables.

Ironing tables without legs (such as models that mount on walls or over doors) are not floor-standing and are specifically excluded. Additionally, tabletop or countertop models with short legs that do not exceed 12 inches in length (and which may or may not collapse or retract) are specifically excluded.

The subject ironing tables were previously classified under Harmonized Tariff Schedule of the United States ("HTSUS") subheading 9403.20.0010. Effective July 1, 2003, the subject ironing tables are classified under new HTSUS subheading 9403.20.0011. The subject metal top and leg components are classified under HTSUS subheading 9403.90.8040. Although the HTSUS subheadings are provided for convenience and for Customs and Border Protection ("CBP") purposes, the Department's written description of the scope remains dispositive.

Separate Rates

Since Hardware requested a separate, company-specific antidumping duty rate. In the *AR2 Preliminary Results*, we found that Since Hardware had met the criteria for the application of a separate antidumping duty rate. *Preliminary Results*, 72 FR at 51782.

We have not received any information since the *Preliminary Results* with respect to Since Hardware that would warrant reconsideration of our separate-rates determination. Therefore, we have assigned an individual dumping margin to Since Hardware for this review period.

Analysis of Comments Received

All issues raised in the briefs are addressed in the Memorandum to David M. Spooner, Assistant Secretary for Import Administration, from Stephen J. Claeys, Deputy Assistant Secretary for Import Administration, regarding the Issues and Decision Memorandum accompanying the *Final Results in the 2005-2006 Administrative Review of Floor-Standing, Metal-Top Ironing Tables and Certain Parts Thereof from*
