Title: Designation of Agents, Motor Carriers, Brokers and Freight Forwarders.

OMB Control Number: 2126-0015.

Type of Request: Revision of a currently-approved information collection.

Respondents: Motor carriers, freight forwarders and brokers.

Estimated Number of Respondents: 89,000.

Estimated Time per Response: 10 minutes.

Expiration Date: April 30, 2008.

Frequency of Response: The Form BOC-3 must be filed by all for-hire motor carriers and freight forwarders when the transportation entity first registers with the FMCSA. All brokers are required to file the Form BOC-3 as necessary and make a designation for each State in which it has an office or in which contracts will be written. Subsequent filings are made only if the motor carrier, broker or freight forwarder changes process agents.

Estimated Total Annual Burden: 14,833 hours [89,000 Form BOC-3 filings per year × 10 minutes/60 minutes to complete form = 14,833 hours].

Background: The Secretary of Transportation (Secretary) is authorized to register for-hire motor carriers of regulated commodities under the provisions of 49 U.S.C. 13902; freight forwarders under the provisions of 49 U.S.C. 13903; and property brokers under provisions of 49 U.S.C. 13904. These entities may conduct transportation services only if they are registered pursuant to 49 U.S.C. 13901. The Secretary has delegated authority pertaining to these registration requirements to the FMCSA.

Registered motor carriers (including private carriers) and freight forwarders must designate: (1) An agent on whom service of notices in proceedings before the Secretary may be made (49 U.S.C. 13303); and (2) for every State in which they are authorized to operate and every State traversed in the United States during such operations, agents on whom process issued by a court may be served in actions brought against the registered transportation entity (49 U.S.C. 13304). Every broker shall make a designation for each State in which its offices are located or in which contracts will be written. Regulations governing the designation of process agents are found at 49 CFR part 366, entitled "Designation of Process Agent." This designation is filed with the FMCSA on Form BOC-3, "Designation of Agent for Service of Process."

[Docket No. FMCSA-2008-0036]

Commercial Driver's License (CDL) Standards; Rotel North American Tours, LLC; Application for Exemption and Request for Comments

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of application for exemption; request for comments.

SUMMARY: FMCSA announces that Rotel North American Tours, LLC (Rotel) has applied for exemption from the Agency's requirement that drivers of certain commercial motor vehicles (CMVs) possess a valid commercial driver's license (CDL). Rotel has requested this exemption for 22 German bus drivers who would transport German tourists in the United States by means of Rotel's specially equipped passenger-carrying CMVs. Rotel hires the bus drivers to conduct the tours in addition to operating the CMVs. Rotel previously was able to conduct these operations without exemption because its drivers had been able to obtain (and renew) non-resident CDLs from certain States. However, because of the recent emphasis upon security in the U.S., Rotel reports that no State currently issues non-resident CDLs. Rotel believes these drivers possess the knowledge and skills necessary to ensure a level of safety that is equivalent to, or greater than, the level of safety that would be obtained by complying with the U.S. requirement for a CDL. FMCSA requests public comment on the Rotel application for exemption.

DATES: Comments must be received on or before April 21, 2008.

SUPPLEMENTARY INFORMATION:

Background

Section 4007 of the Transportation Equity Act for the 21st Century (Pub. L.

105-178, 112 Stat. 107, June 9, 1998) amended 49 U.S.C. 31315 and 31136(e) to provide authority to grant exemptions from motor carrier safety regulations. Under its regulations, FMCSA must publish a notice of each exemption request in the **Federal Register** (49 CFR 381.315(a)). The Agency must provide the public an opportunity to inspect the information relevant to the application, including the results of any safety analyses that have been conducted. The Agency must also provide an opportunity for public comment on the request.

The Agency reviews the safety analyses and the public comments and determines whether granting the exemption would likely achieve a level of safety equivalent to, or greater than, the level that would be achieved by the current regulation (49 CFR 381.305(a)). The decision of the Agency must be published in the **Federal Register** (49 CFR 381.315(b)) with the reason for denying or, in the alternative, the specific person or class of persons receiving the exemption, and the regulatory provision or provisions from which exemption is being granted. The notice must also specify the effective period of the exemption (up to 2 years), and explain the terms and conditions of the exemption. The exemption may be renewed (49 CFR 381.300(b)).

Request for Exemption

Rotel, headquartered in Terre Haute, Indiana, is engaged in conducting bus tours of the United States for Europeans. It currently has 22 bus drivers and 11 customized buses dedicated to these operations. The buses qualify as passenger commercial motor vehicles (CMVs) as defined in section 383.5 of the Federal Motor Carrier Safety Regulations (FMCSRs) (49 CFR 350 *et seq.*); therefore, the operators of the buses must possess a valid commercial driver's license (CDL) (49 CFR 383.110) with passenger endorsement (49 CFR 383.93).

Rotel drivers operate the buses and deliver oral commentary during the trip. Rotel prefers to use native German drivers to conduct the tours. It tried to use non-native Germans who were fluent in German, but states that the quality of its service was affected adversely.

Rotel's drivers hold German CDLs, but these are not recognized in the U.S. Until recently, the German drivers could obtain (and renew) a non-resident CDL in one of several States of the U.S. However, because of the recent heightening of security in the U.S., no State currently issues or renews non-resident CDLs. Therefore, Rotel's drivers
