

Estimated Time per Response: 4 hours.

Frequency of Response: On occasion reporting requirement.

Obligation to Respond: Required to obtain or retain benefits.

Total Annual Burden: 1,120 hours.

Annual Cost Burden: \$16,500.

Privacy Act Impact Assessment: N/A.

Nature and Extent of Confidentiality:

Applicants may request that information be withheld from public inspection pursuant to 47 CFR 0.459 of the Commission's rules. The request must be justified pursuant to 47 CFR 0.457.

Needs and Uses: This collection will be submitted as an extension (no change in reporting requirements) after this 60 day comment period to Office of Management and Budget (OMB) in order to obtain the full three year clearance.

Mandatory electronic filing of applications for Experimental Radio licenses, including FCC Form 442, commenced on January 1, 2004. Applicants that required an FCC license to operate a new or modified experimental radio station must file FCC Form 442, as required by 47 CFR 5.55(a)-(c) and 47 CFR 5.59 of the Commission's rules. The FCC's information technician and engineers use the data supplied by applicants in the FCC Form 442 to determine: (1) If the applicant is eligible for an experimental license; (2) the purpose of the experiment; (3) compliance with the requirements of Part 5 of the Commission's rules; and (4) if the proposed operation will cause interference to existing operations. Thus, the FCC cannot grant an experimental license without the information contained on this form.

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection(s) Being Reviewed by the Federal Communications Commission for Extension Under Delegated Authority, Comments Requested

March 13, 2008.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burdens, invites the general public and other Federal agencies to take this opportunity to (PRA) of 1995 (PRA), Public Law 104-13. An agency may not conduct or sponsor a collection of

information unless it displays a currently valid control number. Subject to the PRA, no person shall be subject to any penalty for failing to comply with a collection of information that does not display a valid control number.

Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written PRA comments should be submitted on or before May 19, 2008. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: You may submit all PRA comments by e-mail or U.S. post mail. To submit your comments by e-mail, send them to PRA@fcc.gov. To submit your comments by U.S. mail, mark them to the attention of Cathy Williams, Federal Communications Commission, Room 1-C823, 445 12th Street, SW., Washington, DC 20554.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection(s), contact Cathy Williams at (202) 418-2918 or send an e-mail to PRA@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0236.

Title: Section 74.703, Interference.

Form Number: Not applicable.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities, Not-for-profit institutions, State, local or tribal government.

Number of Respondents: 100.

Estimated Time per Response: 10 hours.

Frequency of Response: On occasion reporting requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this collection of information is contained in Section 154(i) of the Communications Act of 1934, as amended.

Total Annual Burden: 420 hours.

Total Annual Costs: \$252,000.

Confidentiality: No need for confidentiality required.

Privacy Impact Assessment(s): No impact(s).

Needs and Uses: 47 CFR Section 74.703(f) states that a licensee of a digital low power TV (LPTV) or TV translator station operating on a channel from 52-69 is required to eliminate at its expense any condition of interference caused to the operation of or services provided by existing and future commercial or public safety wireless licensees in the 700 MHz bands. The offending digital LPTV or translator station must cease operations immediately upon notification by any primary wireless licensee, once it has been established that the digital low power TV or translator station is causing the interference.

47 CFR Section 74.703(g) states that an existing or future wireless licensee in the 700 MHz bands may notify (certified mail, return receipt requested), a digital low power TV or TV translator operating on the same channel or first adjacent channel of its intention to initiate or change wireless operations and the likelihood of interference from the low power TV or translator station within its licensed geographic service area. The notice should describe the facilities, associated service area and operations of the wireless licensee with sufficient detail to permit an evaluation of the likelihood of interference. Upon receipt of such notice, the digital LPTV or TV translator licensee must cease operation within 120 days unless: (1) It obtains the agreement of the wireless licensee to continue operations; (2) the commencement or modification of wireless service is delayed beyond that period (in which case the period will be extended); or (3) the Commission stays the effect of the interference notification, upon request.

47 CFR 74.703(h) requires in each instance where suspension of operation is required, the licensee shall submit a full report to the FCC in Washington, DC, after operation is resumed, containing details of the nature of the interference, the source of the interfering signals, and the remedial steps taken to eliminate the interference. (The Commission renumbered 47 CFR 74.703(f) to 47 CFR Section 74.703(h) with the R&O, In the Matter of Amendment of Parts 73 and 74 of the Commission's Rules to Establish Rules for Digital Low Power Television, Television Translator, and Television Booster Stations and to Amend Rules for Digital Class A Television Stations, MB Docket No. 03-185, FCC 04-220.

47 CFR Section 74.703(g) states that an existing or future wireless licensee in the 700 MHz bands may notify (certified mail, return receipt requested), a digital

low power TV or TV translator operating on the same channel or first adjacent channel of its intention to initiate or change wireless operations and the likelihood of interference from the low power TV or translator station within its licensed geographic service area. The notice should describe the facilities, associated service area and operations of the wireless licensee with sufficient detail to permit an evaluation of the likelihood of interference. Upon receipt of such notice, the digital LPTV or TV translator licensee must cease operation within 120 days unless: (1) It obtains the agreement of the wireless licensee to continue operations; (2) the commencement or modification of wireless service is delayed beyond that period (in which case the period will be extended); or (3) the Commission stays the effect of the interference notification, upon request.

47 CFR 74.703(h) requires in each instance where suspension of operation is required, the licensee shall submit a full report to the FCC in Washington, DC, after operation is resumed, containing details of the nature of the interference, the source of the interfering signals, and the remedial steps taken to eliminate the interference.
