DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

The Centers for Disease Control and Prevention (CDC), Food and Drug Administration (FDA), and National Institutes of Health (NIH) Announce An Open Meeting Concerning Antimicrobial Resistance

Purpose: To present the annual report of progress by Federal agencies in accomplishing activities outlined in A Public Health Action Plan to Combat Antimicrobial Resistance (Part I: Domestic Issues); Meeting for Public Comment on the Antimicrobial Resistance Interagency Task Force Annual Report.

Times and Dates: 12:30 p.m.—2 p.m., Wednesday, June 25, 2008.

Place: Hyatt Regency Bethesda, Bethesda, Maryland, One Bethesda Metro Center (7400 Wisconsin Ave), Bethesda, Maryland, USA 20814; Tel: 1–301–652–2000; Fax: 1–301–652–4525.

Status: Open to the public, limited only by the space available.

Persons anticipating attending the meeting are requested to send written notification to the contact person listed below prior to the opening of the meeting or no later than the end of July 2008.

Persons wishing to comment, a time limit of three minutes may be imposed. In the interest of time, visual aids will not be permitted, although written material may be submitted for subsequent review by the Task Force. Written comments and suggestions from the public are encouraged and should be received by the contact person listed below prior to the opening of the meeting or no later than the end of July 2008.

The meeting will involve the following issues:

• Whether the express authorization of coverage for “nurse midwife services” as a recognized service under section 1905(a)(17) of the Act identifies those services eligible for medical assistance under Medicaid, generally based on the type of provider or practitioner. Birthing centers are not a recognized type of provider or facility eligible for payment under that section.

• Whether direct payment for nurse midwife services are recognized service under section 1905(a)(17) of the Act. On June 29, 2006, CMS disapproved Texas SPA 04–33(b) and 06–004 for the same reasons cited above. The State did not appeal either of these disapprovals. Through those prior disapprovals, CMS notified Texas of its concern that there is no statutory or regulatory authority for birthing center facility payments that are part of the current approved Medicaid State plan.

• Whether there is legal authority to provide payment to birthing center facility services in the absence of any statutory authorization for coverage of birthing center facility services.

• Whether direct payment for nurse midwife services can be made to persons or entities other than the nurse midwife, consistent with section 1905(a)(17) of the Act.
1902(a)(32) of the Act, which provides that payment under the plan may only be made to the provider or practitioner, except under very limited circumstances.

Section 1116 of the Act and Federal regulations at 42 CFR Part 430 establish Department procedures that provide an administrative hearing for reconsideration of a disapproval of a State plan or plan amendment. CMS is required to publish a copy of the notice to a State Medicaid agency that informs the agency of the time and place of the hearing, and the issues to be considered. If we subsequently notify the agency of additional issues that will be considered at the hearing, we will also publish that notice.

Any individual or group that wants to participate in the hearing as a party must petition the presiding officer within 15 days after publication of this notice, in accordance with the requirements contained at 42 CFR 430.76(b)(2). Any interested person or organization that wants to participate as amicus curiae must petition the presiding officer before the hearing begins in accordance with the requirements contained at 42 CFR 430.76(c). If the hearing is later rescheduled, the presiding officer will notify all participants.

The notice to Texas announcing an administrative hearing to reconsider the disapproval of its SPA reads as follows:

Mr. Chris Traylor, State Medicaid CHIP Director, Texas Health and Human Services Commission, P.O. Box 13247, Austin, TX 78711.

Dear Mr. Traylor:

I am responding to your request for reconsideration of the decision to disapprove the Texas State plan amendment (SPA) 07–011, which was submitted on September 24, 2007, and disapproved on December 20, 2007.

Under this SPA, the State proposed to revise the reimbursement methodology for Medicaid services delivered as “birthing center facility” services by eliminating the 2.5 percent rate reduction implemented September 1, 2003. The amendment was disapproved because “birthing center services” are not a recognized service within the scope of “medical assistance” under section 1905(a) of the Social Security Act (the Act), and “birthing center facility services” are not a recognized provider type under that section. Thus, payment to birthing centers is not consistent with the requirements of sections 1902(a)(10)(A) and 1902(a)(32) of the Act. Section 1905(a) of the Act defines those services eligible for medical assistance under Medicaid, generally based on the type of provider or practitioner. Birthing centers are not a recognized type of provider or facility eligible for payment under that section. Nurse midwife services are a recognized service under section 1905(a)(17) of the Act. On June 29, 2006, CMS disapproved Texas SPAs 04–33(b) and 06–004 for the same reasons cited above. The State did not appeal either of these disapprovals. Through those prior disapprovals, CMS notified Texas of its concern that there is no statutory or regulatory authority for birthing center facility payments that are part of the current approved Medicaid State plan.

The hearing will involve the following issues:

- Whether there is legal authority to provide payment to birthing center facility services in the absence of any statutory authorization for coverage of birthing center facility services.
- Whether the express authorization of coverage for “nurse midwife services” as a recognized service under section 1905(a)(17) of the Act identifies the provider of such services as the nurse midwife practitioner, rather than as the birthing center.
- Whether direct payment for nurse midwife services can be made to persons or entities other than the nurse midwife, consistent with section 1902(a)(32) of the Act, which provides that payment under the plan may only be made to the provider or practitioner, except under very limited circumstances.

I am scheduling a hearing on your request for reconsideration to be held on May 7, 2008, at the CMS Dallas Regional Office, 1301 Young Street, Room 1196, Dallas, Texas 75202, in order to reconsider the decision to disapprove SPA 07–011. If this date is not acceptable, we would be glad to set another date that is mutually agreeable to the parties. The hearing will be governed by the procedures prescribed by Federal regulations at 42 CFR Part 430.

I am designating Ms. Kathleen Scully-Hayes as the presiding officer. If these arrangements present any problems, please contact the presiding officer at (410) 786–2055. In order to facilitate any communication which may be necessary between the parties to the hearing, please notify the presiding officer to indicate acceptability of the hearing date that has been scheduled and provide names of the individuals who will represent the State at the hearing.

Sincerely,

Kerry Weems
Acting Administrator

Submission for OMB Review; Comment Request

Title: LIHEAP Quarterly Allocation Estimates, Form ACF-F535.

OMB No.: 0970–0037.

Description: The LIHEAP Quarterly Allocation Estimates, ACF Form-F535 is a one-page form that is sent to 50 State grantees and to the District of Columbia. It is also sent to Tribal Government grantees that receive over $1 million annually for the Low Income Home Energy Assistance Program (LIHEAP). Grantees are asked to complete and submit the form in the 4th quarter of each year. The data collected on the form are grantees estimates of obligations they expect to make each quarter for the upcoming fiscal year for the LIHEAP program. This is the only method used to request anticipated distributions of the grantees’ LIHEAP funds. The information is used to develop apportionment requests to OMB and to make grant awards based on grantees’ anticipated needs. Information collected on this form is not available through any other Federal source.

Respondents: State Governments, Tribal Governments that receive over $1 million annually, and the District of Columbia.
